Welcome to Chapel Street...

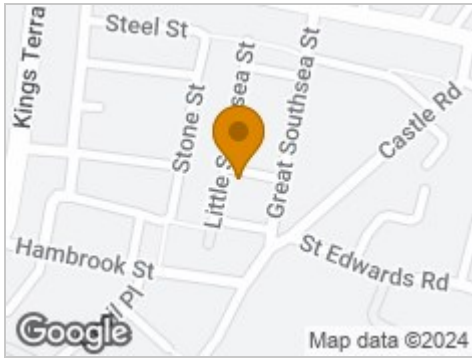

Boasting an enviable position just a 5 minute walk to Southsea Common, the beach, the local amenities of Castle and Palmerston Road and within easy reach of links to the M275 this home is in a central, highly sought-after location. Plus, the fact this home has off-road parking in the form of an integral garage, means this home is likely to be extremely popular.

Comprising of over 1,200sq.ft of living accommodation over three floors, this home has a wealth of living accommodation. In brief, the home is made up of three bedrooms, an open plan kitchen diner, separate lounge, family bathroom and additional shower room. All the rooms are smooth plastered, some of which have recently been repainted and most are finished with carpet. Also double glazed in its entirety, this property is completely 'liveable' in our opinion but does also present an opportunity for someone to add their own stamp throughout and it is vacant and offered with no forward chain.

There is a UPVC front door from directly Chapel Street but the most commonly used access for this home is via the rear communal courtyard entrance, which has vehicular access to the garage.
