UNEXPECTEDLY REAVAILABLE DUE TO CHAIN COLLAPSE **

Welcome to 'Milestones'...

What a fantastic example of a detached bungalow this home is presented in immaculate condition throughout. This lovely three bedroom home is situated in the sought after village of Denmead and within easy access of local shops and amenities.

From Dando Road, the property is accessed via a shingle-laid driveway for several cars and vehicular access to the garage. There is a small entrance porch and door through to the entrance hall. The hallway is lovely and light and has the unusual addition of a log-burner, quite literally heating the heart of the home for you in the depths of winter! There is access to the loft from here and doors to the rooms.

The kitchen has been replaced within the last year and is spacious, light and bright with a double glazed window and door to the side elevation. The kitchen itself is fitted with a range of high-gloss wall and base units with Oak work-surfaces over, with space and plumbing for a range of freestanding appliances under. There is an integrated hob and electric oven.

Occupying the front aspect of the home, is the Master Bedroom and Bedroom two. Each room, with a double glazed window overlooking the front, easily fits a double/King bed and freestanding wardrobes and is finished with carpet. Bedroom three is in the middle of the home with a double glazed window to the side elevation and finished with carpet. This bedroom has accommodated a small double bed in the past but is

currently used as a home office.

The modern shower-room, like most other parts of the home, has been refitted and improved in the last 2 years. It is fitted with a double shower cubicle, low-level flush WC and Vanity sink, finished with tiling in full.

The lounge diner stretches across the rear of the home, soaking up those views of the garden with doors out on to. The lounge is fitted with a log-burner and is adorned with the necessary TV and telephone points. There is plenty of room for a sizeable dining table, sofa suite and additional furnishings.

The South-East facing garden is one of the most impressive things about this home and offers a real variety with a patio seating area; area laid to lawn; planting borders and beds; a greenhouse; log-store and shed all included. There is side access to the front of the property.
