VILLAGE & COUNTRY HOMES

Tucked away in a peaceful close on the edge of desirable West Adderbury, this beautifully presented stone-built detached family home offers space, flexibility, and modern comfort in an exceptional village location.

Originally designed as a bungalow, the property has been thoughtfully extended and redesigned to create a stunning five-bedroom home set within a generous plot of just under one-third of an acre, featuring a superb west-facing garden.

Inside, a generous entrance hall sets the tone, leading into a well-sized living room with feature wood burner and windows overlooking the mature gardens. The heart of the home is the expansive open-plan kitchen/dining room with ample space for hosting or family life. The ground-floor main bedroom is a standout feature, with both a dressing room and its own en-suite. The upper floor provides two excellent bedrooms and a useful landing area that works perfectly as a study, play area, or relaxed reading space.

Outside, the property really shines – the west-facing garden enjoys sun throughout the afternoon and evening, with mature planting and generous lawn areas. The addition of the stylish garden room/summerhouse offers outstanding flexibility; currently set up as a reception room, gym and home office. The property further benefits from a double garage and off-street parking for two vehicles, ensuring convenient access and secure storage. The garaging and driveway are neatly positioned to the side of the house, enhancing both practicality and kerb appeal.

This is a rare opportunity to acquire a spacious, versatile family home in one of the area's most sought-after spots.

Adderbury, and in particular this prime location, is arguably one of the best villages in the area. It is nestled amidst the scenic Oxfordshire countryside and renowned for its historic charm and vibrant community.
