PROPERTY DESCRIPTION

The life of luxury and comfort that you have always wanted to live awaits you in this project.

The most promising investment projects in Istanbul in the central Sisli district, which is managed by Rotana International Hotels.

The luxury project in Sisli, specifically in the prestigious Bomonti district in the heart of old Istanbul that dates back more than 100 years, is the new preferred area for residents and investors.

Luxury Investing

This vibrant and thoughtful project bears the signature and franchise of Tahincioğlu İnşaat, one of the most prestigious construction companies in Turkey that operates under the concept of luxury building and modern design.

The project consists of a 39 floors luxury residential tower in the center of Istanbul, providing residences with amazing views of Istanbul and the charming Bosphorus.

It is one of the finest projects that promises residents a modern and free life with its spacious terraces and horizontal design, offering a view of the landscape in the project's inner garden.

Luxury Investing

This project is considered one of the best destinations for business owners as it offers the finest working spaces in the city with its unique location, perfect planning, spacious facades, quality of construction, outstanding services, and advanced technological infrastructure.

The first and only Bomonti Square, with its design, size, and entertainment venues, increases the attractiveness of the project and the area.

The spacious square in Bomonti project combines luxury brands with places that provide fun and entertainment at all hours of the day.
