PROPERTY DESCRIPTION

In this project, we offer you a great location in the center of Istanbul.

Offering a unique ease of transportation with its central location at the junction of European and Asian sides of Istanbul, within the historical walls, the symbol of Istanbul, this project takes part in life with its proximity to universities, hospitals, shopping malls and parks within walking distance.

Luxury Investing

The project is full of ideas that bring today's digital age to social areas. It accompanies your dreams with its high quality living space, fine details, unique comfort and design that will be the new symbol of Topkapi.

Keeping up with the fast rhythm of Istanbul with its location and offering a unique experience with its proximity to the metro, metrobus and Eurasia tunnel, this project saves time every day with the ease of public transportation.

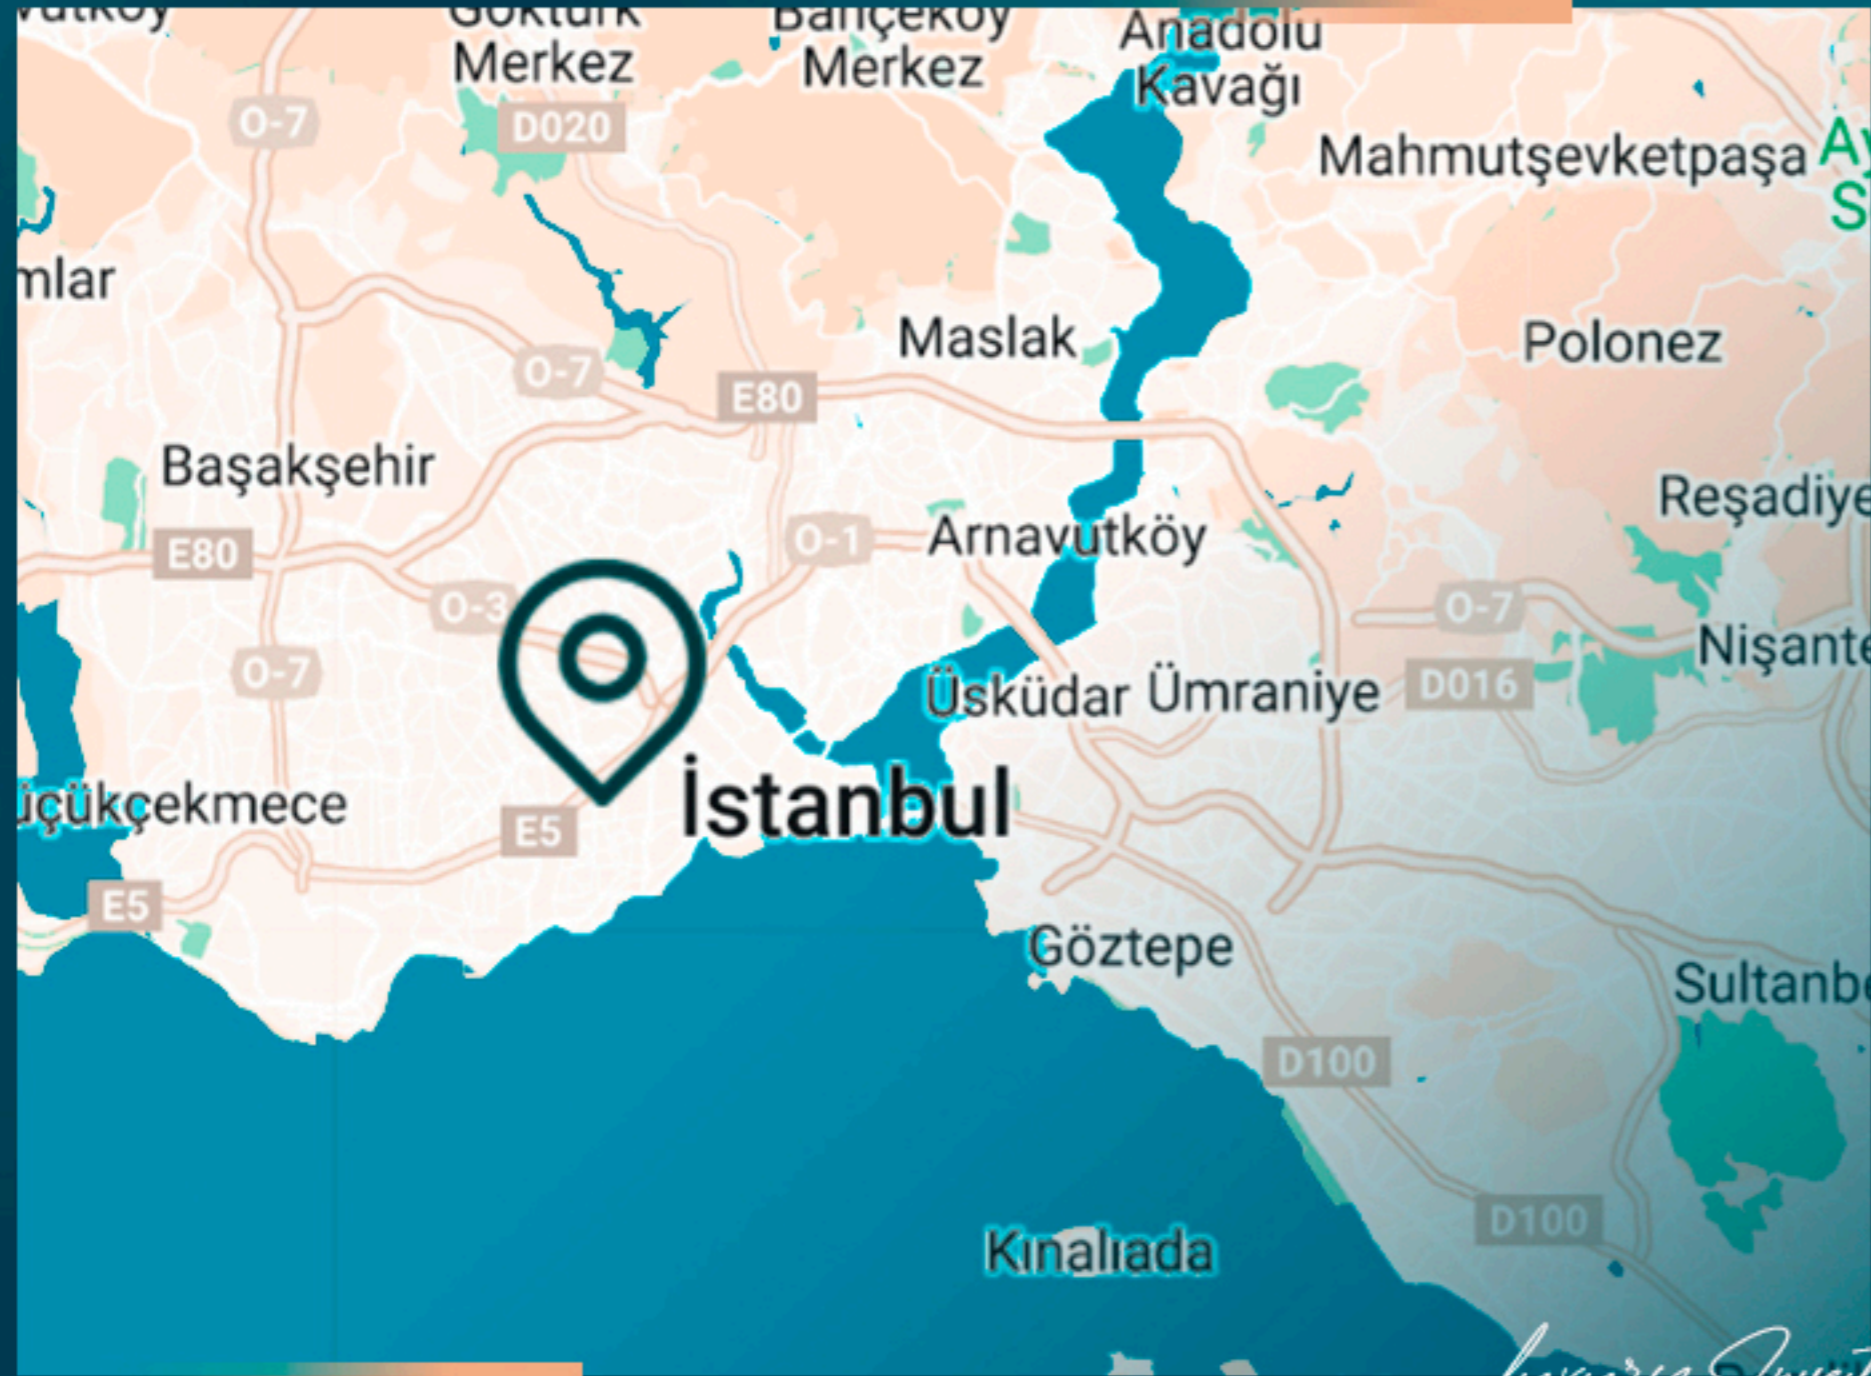

Luxury Investing

A privileged life is waiting for you in this project with its social facilities including the swimming pool, gym, sauna, Turkish bath, children's playgrounds, sports fields, in addition to the security system and car park.

Offering privileged life comfort at the maximum, the project promises you a life that makes you feel special.

The project has a land area of 22.174 sqm, and it offers apartments with the types 1+1 and 2+1.
