# 10 Newlands Road Rottingdean BN2 7GD

**\*\* VIEWING IS HIGHLY RECOMMENDED \*\***

A substantial 1930s detached house with wonderful coastal views, having been modernised but retaining many original period features. Located in the historic village of Rottingdean, just a 5-minute walk from the High Street where you will find an array of traditional pubs, independent shops, tea rooms and beauty salons, along with amenities including convenience stores, a butcher, dentist and Post Office, with access to Rottingdean Beach and the undercliff walk which takes you all the way to Brighton Marina. Brighton's city centre with mainline railway links to London and Gatwick Airport is just 4.4 miles away and is within a 10-minute drive along the coast road, and there are excellent bus services from Rottingdean every 10 minutes.

Rarely available, this four-bedroom family home is presented in excellent order throughout and benefits from stunning sea views from all principal rooms and ample storage. As you enter you are greeted by a spacious entrance hall with stairs to the upper floors, a WC, a study/second reception room, utility room, and a beautifully presented open-plan living space which leads through to a modern kitchen with white high-gloss wall and base units, 'Neff' appliances, Corian worktops and sink with Quooker tap, and an extended dining area with bi-fold doors onto the rear garden. Upstairs, the first-floor landing leads to two double bedrooms and a modern family shower room comprising double walk-in shower, wash hand basin and low-level WC. The bedrooms are situated on the west side of the property, both having magnificent sea views and made-to-measure wardrobes with obscure glazed sliding doors, the main bedroom with luxury en-suite comprising freestanding bath, walk-in shower and underfloor heating. The second floor has two further bedrooms, one with a dual aspect, the other with an en-suite, with a westerly aspect allowing you to wake up to stunning views over the English Channel.

Energy Efficiency Rating		
	Current	Potential
Very energy efficient - lower running costs		
(92 plus) A		
(81-91) B		
(69-80) C		
(55-68) D	60	73
(39-54) E		
(21-38) F		
(1-20) G		
Not energy efficient - higher running costs
