# ALL ABOUT 87

## DESCRIPTION

This unique building was originally built in 1990 and designed by Munkenbeck and Marshall architects as the headquarters for Monsoon. Arranged over ground, lower ground and four upper floors with a roof terrace on the 4th floor. All floors are served by a feature glass panelled passenger lift in the central core. The building also benefits from secure car parking underneath the property at lower ground floor level and in front of the building.
