PERFECTLY POSITIONED FOR A FLOURISHING LIFESTYLE

Located in the heart of Newport, Hollymead Square offers an aspirational lifestyle, close to the local amenities of Newport High Street, glorious Essex countryside, and connections to vibrant cities and towns such as Saffron Walden, accessible via Newport station, or international travel from Stansted Airport.

Newport itself is a large village, which hosts a popular farmers' market on the first Saturday of every month in the village hall. Numerous community and sports associations, such as art, drama, fitness and music groups, provide plenty of opportunities to make friends, fuel interests and get active.

The village hall, two pubs and farmers' market packed with delicious local produce add to the friendly and sociable environment. An easy stroll from Hollymead Square, the high street exudes historic charm with its beamed Tudor buildings and graceful period properties.

For time in the great outdoors, there are acres of open countryside, hills, and valleys to explore just a few minutes' walk from your front door, not forgetting Newport Recreational Ground. The Saffron trail takes you through beautiful landscapes to the town of Saffron Walden, just under four miles away. This picturesque medieval town is known for its colourfully painted buildings, and enjoys a vibrant mix of shopping, eating out, cultural attractions and events. Grand country mansion Audley End House and Gardens is just outside the town, a seven minute drive from homes at Hollymead Square.

Stansted Airport

An even greater array of shopping, leisure, dining, and cultural opportunities are waiting for you in the world-renowned university city of Cambridge, all set within its richly historic streets and buildings.

Together with good local schools and fast train links from Newport train station to London (61 minutes) and Cambridge (24 minutes), living here offers the delights of both town and country, plus easy access to international travel from Stansted Airport, just a 22-minute drive away.

Audley End House & Gardens

SOMETHING FOR EVERY TASTE AND STYLE

From markets to boutiques, smart restaurants to cosy cafés, you will have plenty of shopping and dining options to choose from.

Close to home in Newport, there is Dorringtons Bakery, offering a mouth-watering selection of freshly baked goods, including cakes, pasties, sandwiches, and tarts. There is also a food store, pharmacy, and post office for your essentials on your doorstep, as well as a beauty salon and Indian restaurant.

More extensive shopping can be found at Saffron Walden, with several supermarkets, popular high street brands, and independent shops. There are also pubs, coffee shops and restaurants where you can enjoy a drink or meal out.

For a day of retail therapy and a wider choice of dining spots, head to Cambridge, only half an hour's drive away. There you will find the Michelin-starred Midsummer House and Restaurant Twenty Two, riverside pubs, charming tea rooms and cuisine options from all over the world. The Grand Arcade is also home to dozens of stylish fashion, homeware, and beauty brands, while Cambridge's famous market offers a unique shopping experience.

ZERO BILLS

HOW ZERO BILLS™ WORKS

Zero Bills™ homes are energy efficient properties with solar panels, storage, and smart technology.

Octopus manages these low carbon devices using its Kraken tech platform to optimise the flow of energy throughout the day – for instance, when the battery should charge or discharge, or when the home should draw from the grid – to deliver a Zero Bill.

FREQUENTLY ASKED QUESTIONS

Q. What makes a Zero Bills™ home?

A: **Zero Bills™** homes generate more energy than they consume. They achieve this using a combination of low carbon tech – solar PV and a battery – and electric heating.

Q. Is there a fair usage in terms of hot water and heat?

A: To make it as simple as possible, we've only one Fair Use Allowance – on total electricity across the year. This is set at approximately double the expected usage, so you'll only exceed this if you have very high heating preferences.

Q. What happens if I exceed the Fair Use Allowance?

A: You'll be billed at our Flexible Octopus unit rate (still no standing charge) for electricity imported above the Fair Use Allowance, with billing done on an annual basis.

Q. Can I still benefit from Zero Bills™ if I have an EV?

A: EV charging is not included within the **Zero Bills™** allowance, but will be billed separately at Intelligent Octopus unit rates – while the rest of your home's energy needs remain free.

Q. Is there a minimum guaranteed term for which my home will be eligible for Zero Bills™?

A: Octopus currently guarantees to offer **Zero Bills™** for five years. This will be updated over time.

Q. How do I sign up for Zero Bills™?

A: Activating your **Zero Bills™** tariff is easy. We'll send you a welcome pack on move-in day, including a dedicated Octopus Energy weblink with simple steps to follow online.

CREATING EXCEPTIONAL PLACES TO LIVE

Hill is an award-winning housebuilder and one of the leading developers in London, the home counties, and the South.

The company is renowned for its partnership ethos, specialising in the building of distinctive new places and communities where people want to live, work, and socialise. It is now in the process of opening new regional offices to facilitate growth in the Midlands.

In its 24th year, this family-owned and operated company has grown to establish itself as the UK's second-largest privately-owned housebuilder, with an impressive and diverse portfolio of projects ranging from landmark, mixed-use regenerations, and inner-city apartment developments to homes in rural communities.

Employing over 800 staff, the company operates from six strategically located regional offices, with its head office based in Waltham Abbey, Essex.

Hill anticipates completing over 2,600 homes in 2023 and has a controlled land bank with planning consent for over 8,500 units. Around half of its portfolio is in joint ventures to deliver a range of mixed-tenure developments, reflecting Hill's commitment to partnerships with government, local authorities, housing associations, and private clients.

Since the company was founded in 1999, Hill has won over 500 industry awards, including

the esteemed titles of WhatHouse? Housebuilder of the Year in 2015, 2020, and most recently in 2023, when it also won the Best Large Housebuilder accolade in its first year entering the category. Rubicon, Hill's innovative and beautifully designed development at Knights Park in Eddington, Cambridge, has been recognised with four prestigious WhatHouse? Awards in 2023, including gold awards for Best Development and Best Exterior Design. Rubicon also won Best Design for Four Storeys or More at the 2023 Housebuilder Awards. The Beech, a stunning contemporary home at Marleigh, won the Best Family Home award at the Evening Standard New Homes Awards 2023 and silver in the Best House category at the WhatHouse? Awards in the same year.

In addition, Hill's dedication to delivering the highest quality homes and exceptional customer service has earned the housebuilder its 5-star status in the Home Builders Federation's annual Customer Satisfaction Survey for the past six years.

The Hill Group is donating 200 fully equipped modular homes to local authorities and homeless charities as part of a £15 million pledge through its Foundation 200 programme, launched in 2019 to mark Hill's 20th anniversary.
