The Property

The Charter House is an individually designed and built detached home standing on a large mature plot set back from the main village street and backing directly onto The River Soar with mooring and open views beyond the river over the local countryside. The property has gas central heating and UPVC double glazed windows and doors, it now offers great potential for internal upgrading and possible extension or reconfiguring (subject to suitable consents).

The spacious accommodation includes entrance porch, reception hall, cloakroom and w.c., lounge with views across the gardens to the river, dining room, sitting room/study, breakfast kitchen, rear lobby and large utility room. To the first floor is a gallery landing, master bedroom with dressing room (former 5th bedroom), en suite shower room, 3 further bedrooms and bathroom.

Outside, the property is set back from the Main Street with an extensive driveway flanked by lawns and trees and leads to a double garage. To the rear is the most delightful mature garden with a South Westerly aspect, backing onto the River Soar and is protected by a flood defence bund.

Normanton on Soar is a delightful village situated a short distance to the north of Loughborough and is ideally situated for access to Loughborough, Nottingham and Derby, as well as the motorway network M1 junction 24 and East Midlands Airport. The mainline railway station at Loughborough gives direct access to London St Pancras with a link to Eurostar. The village has a parish church, Primary School and public house, there is also a village hall and boat club.
