- Detached house with planning permission to extend
- Heart of south Leicestershire village with views
- Corner plot of approx. 0.35 acres
- Architect designed planning
- Planning potential for circa 300 sq m
- No chain!

Architects Impression

Price Guide
£650,000

The proposed design includes a large open plan living kitchen with bi-fold doors overlooking the gardens, a study, lounge, guest bedroom with en-suite, utility room and pantry, together with an impressive entrance hall with boot room and cloakroom/wc off.

The upper floor accommodation proposes a large principal bedroom with dressing room and en-suite bathroom, four further double bedrooms and three bath/shower rooms. Integral to the house is a large garage, and the unique design of the property takes advantage of the views over the gardens and adjoining paddock land.

LOCATION

The property occupies a large corner plot enjoying southerly views over an adjoining paddock and the historic core of the village with countryside in the distance. The adjoining paddock is owned by a village collective to protect this focal space. The charming village of Burton Overy is regarded as one of south east Leicestershire's most desirable locations surrounded by beautiful open countryside while only a short distance from the city of Leicester and thriving town of Market Harborough. The village itself has a fine parish church, village hall and public house. The nearby village of Great Glen offers a variety of shops including a Co-op store and post office, and there is also a doctors surgery, public houses and restaurants. Great Glen has a local primary school, Leicester Grammar and LGS Stoneygate School. For the commuter, the A6 provides access to Leicester and Market Harborough, both of which have mainline rail services to London St Pancras. The M1 is accessible at Junction 20.

PLANNING

Full planning permission has been granted (Application Number 23/01011/FUL - dated 14th September 2023) for the erection of a first floor extension above the garage and main dwelling, erection of a two storey side extension, erection of a single storey side and rear extensions, removal of two chimneys, addition of composite panel cladding, zinc cladding and render, felling of trees T1, T3 and T5 to T8. Interested parties are recommended to liaise directly with Harborough District Council Planning in respect to any queries relating to the planning permission. The plans and elevations are for guidance purposes only, and are not to scale.

THE EXISTING PROPERTY

With the benefit of gas fired central heating and mostly UPVC double glazing, the existing interior comprises:

GROUND FLOOR

ENTRANCE PORCH

DINING HALL

22'4" x 8'3" (6.81m x 2.54m)

LOUNGE
