

Andora Warminster Road, Bath, BA2 7HY

Guide price £130,000

Welcome aboard "Andora," a beautifully crafted 57 by 10 Widebeam boat built by Liverpool Boats. Surveyed in February 2023, this vessel exemplifies quality and charm, blending modern amenities with traditional appeal.

Regularly maintained, the hull was blacked and fitted with new anodes in February 2023. The reliable Isuzu engine ensures smooth sailing, while the removable stern cover offers all-weather cruising. With a valid Boat Safety Certificate until July 2028, peace of mind is assured.

Inside you can enjoy an elegantly designed living space with solid oak flooring and an abundance of natural light. The cozy lounge features a 5kw Arrow multifuel stove, serviced in March 2023, providing warmth and ambiance. The Webasto heating system, complemented by radiators throughout, ensures comfort year-round. The boat is spray foam insulated for excellent thermal efficiency.
