Aaron Shohet Property are delighted to bring to the market as exclusive sole agents this stunning three-bedroom house in the Millbrook Park development in Mill Hill East.

Built in 2016, this charming end-of-terrace house occupies a corner plot on a quiet street, is arranged over three levels and has been lovingly decorated and upgraded by it's current owners to create a peaceful yet modern family home.

Accessed on the ground floor, you enter into a spacious hallway leading into a modern separate kitchen with fully integrated appliances, guest WC and spacious reception with french doors onto the well-tended rear garden which is approx 35 ft in length. Due to it's corner position the width of the garden is impressive and this makes for one of the largest gardens for this property type.
