SHARED OWNERSHIP

Shared Ownership allows you to buy part of your home and pay rent on the rest, so you can move in and enjoy the benefits of the McCarthy Stone

lifestyle without committing to outright purchase.

It also allows you to manage your finances for possible future needs. The Shared Ownership scheme is run in conjunction with Homes England - a government approved partner. They regulate Older Persons Shared Ownership Schemes by monitoring rental charges and fees applicable to the homes within the scheme. They also provide funding to make retirement properties more accessible and affordable. For example, you can purchase up to 75% of the value of a property - and if you own 75%, the government fund the outstanding 25% share.

BENEFITS OF SHARED OWNERSHIP

- It provides a more affordable way to buy one of our retirement properties.
- You can enjoy the McCarthy Stone lifestyle without paying the full purchase price.
- You can claim up to £500 a year* to help with essential repairs in the first 10 years.
- Buying a percentage share of the property allows you to manage your finances to cater for possible future needs.
- If you buy 75% of the value of the property, there is no rent to pay on the outstanding share.

DO I QUALIFY FOR SHARED OWNERSHIP?

To apply for the Homes England Shared Ownership scheme you need to:

- Meet the age-criteria for your chosen McCarthy Stone development
- Have an annual household income of £80,000 per year or less
- Only own one property, after buying the new one
