

#### MISREPRESENTATION ACT 1967.

Messrs Wright Marshall for themselves and for the vendors or Lessors of this property, whose agents they are, give notice that:

1. The particulars are set out as general outline only for the guidance of intending purchasers, and do not constitute, nor constitute part of, an offer or contract.
2. All descriptions and references to condition and necessary permissions for use and occupation, and other details are given in good faith and are believed to be correct but any intending purchasers or tenants should not rely on them as statements or representations of fact but must satisfy themselves by inspection or otherwise as to the correctness of each of them.
3. No person in the employment of Messrs. Wright Marshall has any authority to make any representation whatever in relation to this property.

Coningsby is an extensively enhanced and beautifully presented period detached residence, offering versatile living spaces and set within generous grounds. Conveniently located within comfortable walking distance of Buxton town centre, the property is presented to a high standard by the current owners, with careful attention given to its interior design.

In summary, the ground floor comprises an entrance porch leading to a grand hallway with original wall panelling, six spacious reception rooms, including a sitting room, dining room, library, study, morning room, and garden room. This level also includes a modern kitchen, recently upgraded to a high standard with bespoke units and premium appliances, and a utility room leading to the integral garage located to the rear.

The first and second floors are accessed via generous landing areas and feature six bedrooms, five of which include en-suite facilities. The lower ground floor offers a caged wine cellar and two additional cellar chambers.

Externally, a set-in driveway extends from the front boundary to the rear, providing ample off-road parking and access to the integral garage. The beautifully maintained gardens include a lawn, multiple seating areas, well-stocked flower beds, and two water features.
