LOCATION

A popular place to call home, Sandbach is a historical market town nestled in the heart of the Cheshire countryside. Its 16th century cobbled market square plays host to weekly markets and a number of craft fairs during the summer months. It also boasts a good selection of independent specialist shops as well as the popular high street names, there are a number of supermarkets including Waitrose, Aldi and Co-op and a thriving indoor market. Sandbach has fantastic transport links with Junction 17 of the M6 less than 1 mile away making travel to Holmes Chapel, Congleton and other surrounding towns easy. The Heath is within walking distance to the bus route, making the two mile journey to the town centre quick and convenient. For city centre shopping Manchester is approximately 40 minutes away and the attractive walled city of Chester is less than 30 miles away.

DESCRIPTION

Accessed through an impressively large entrance hall, the ground floor affords you spacious open plan living, with the kitchen, family room and dining area all flowing into one another. Bi-folding doors lead onto a lawned garden and patio area, enhancing the feeling of luxurious openness and space. You also have the benefit of a separate sitting room with a large bay window.

A ground floor study leads off the main entrance and offers a quiet outlook over the front of the property. This retreat is ideal to keep work secluded and separate from family life. Downstairs also boasts a wc and separate utility room, allowing access from the side of the property to the garden. Under an elegant pyramid roof, the double garage is detached, rather than integral, preserving the entire ground floor for family living.

On the first floor, the large principle bedroom has an ensuite shower room, and a vast space ideal for an extensive run of built-in wardrobes. There are a further three bedrooms, two of which are true double bedrooms, served by a family bathroom with separate bath and shower.
