needs on the open market.

Information on Shared Ownership;
If you can't afford the mortgage on 100% of a home, Shared Ownership offers you the chance to buy a share of your home (between 25% and 75%) and pay rent on the remaining share. You could buy bigger shares when you can afford to do so which is referred to as 'staircasing' and the more shared you own, the less rent you pay. Muir Housing Group offer 'staircasing' to 100% ownership.
Management and estate charges apply.
