An immaculate period property with kitchen extension and converted loft room located on Moss Road in highly sought after Winnington

Description

Purchased by the current vendor 26 years ago this property has been modernised throughout while maintaining many of its original features. This property has been extended to both the rear and the side by the current vendor and the loft space was converted by the previous vendor creating an extra bedroom with fantastic views across Northwich.

Particular mention must be made of the spacious bay fronted lounge with original solid oak parquet flooring, a roaring open fire and lovely high ceilings flooding the room with natural light, a truly cosy room on a cold winters night.

Ground floor accommodation comprises spacious entrance hallway with original solid oak parquet flooring, understairs storage, a double-glazed window to the front aspect and stairs to the first floor landing.

The spacious bay fronted lounge could easily be knocked through into the spacious dining room to create a light and airy family area with dual aspect views to both the front and the rear aspects.

The modern kitchen has a range of low level and eye level units, a useful utility area with a sink and drainer and downstairs WC, built by the current vendor and a range of integrated appliances including a dishwasher, microwave, fridge, separate freezer, double oven and extractor hood.

The single storey rear extension has created a large 10 ft by 12 ft separate dining room/playroom overlooking the rear garden, a very useful family area for when the parents are busy cooking away and need to keep an eye on the children.

First floor accommodation comprises spacious landing with a double glazed window to the side aspect, a spacious four piece family bathroom with a built in storage cupboard housing the combi boiler and a double glazed window to the rear aspect.

All the bedrooms are double glazed, the bay fronted bedroom and bedroom three both overlook the front aspect, bedroom two overlooks the rear aspect and bedroom three located on the second floor has two velux windows overlooking Moss Farm Leisure Complex.

Externally the vendor has maintained the beautiful original York stone driveway large enough for up to four vehicles and the partly lawned, partly flagged west facing rear garden is the perfect sized garden for the growing family who doesn't want their weekends filled with gardening but still appreciate a sizeable, low maintenance garden to enjoy the evening sun.

Winnington is a growing destination for young professionals and families moving from surrounding areas in Cheshire, South Manchester and Liverpool.
