SPRINGWATER, 33 COGSHALL LANE,
COMBERBACH, NORTHWICH CW9 6BS

OFFERS IN THE REGION OF £600,000

Springwater is a beautiful extended chain free period property located in the heart of Comberbach

Description

Purchased by the current vendors in 1984 Springwater has been totally refurbished while maintaining many of its period features and extended to create over 2,000 square feet of internal accommodation.

Positioned on a large plot with a double detached garage and large driveway with a spacious rear garden, this property is a growing family home located in one of West Cheshire's most sought after villages.

Ground floor accommodation comprises spacious entrance hallway with original tiled flooring, doors to the lounge and dining room and stairs to the first floor landing. The cosy lounge has a feature open fire and two double glazed windows to the front aspect, perfect on a cold winter's night. The traditional dining room has a feature fireplace and a large double glazed window to the rear aspect.

The galley kitchen has a substantial amount of both understairs storage and built in cupboards along with a selection of low level and eye level units, a sink with drainer below the double glazed window to the side aspect and integrated appliances including a double oven and microwave.

Some years ago the current vendors build a double storey extension to building regulation creating a separate utility room with a downstairs WC, two further storage cupboards and a sitting room with stunning views across the garden through the double glazed window to the rear aspect and the French doors to the side aspect.

First floor accommodation comprises spacious landing with two double bedrooms, a three piece family bathroom and an office which houses the Baxi combi boiler and was originally the third bedroom. The double storey extension mentioned above created a further double bedroom with four built in wardrobes and a three piece en-suite shower room which the vendors now use as their main bedroom.

Second floor accommodation comprises spacious double bedroom with eaves storage and a large velux window with spectacular views across open fields.

Externally the rear enclosed garden has been partly landscaped to create a pleasant seating area overlooking the rear aspect and a bin store has been built to the back of the property. The double detached garage has electricity and could easily be converted into a workshop/annex if so required.

Buyers will be pleased to hear that with regards to services the property is on mains drains and mains gas.
