Dovecote House is a truly unique and extensively renovated Grade II listed property, located within the curtilage of Suttonfields House. This exceptional home offers a comprehensive range of features and specifications that are sure to impress. The property has undergone a full renovation since its acquisition in 2012, incorporating the latest insulation technologies and energy-efficient heating systems to a EPC of a B potential rating, including zoned underfloor heating throughout, even on the upper floor. NO UPWARD CHAIN.
