Ownership

OWNER BENEFITS

Residence owners benefit from owner rates in the restaurants, in the fitness and wellness centre, on the golf course and on the ski slopes. Like club members, residence owners enjoy exclusive extra benefits, preferred treatment for reservations and invitations to exclusive events.

RENTAL PROGRAMME & RESIDENCE MANAGEMENT

Owners can opt for stress-free property rental managed by the Radisson Blu Hotel Reussen. This ensures consistently high quality in rentals as well as optimal occupancy rates, meaning steady and reliable owner incomes.

PROPERTY OWNERSHIP

In Switzerland the second-home market is increasingly regulated and restricted meaning that fewer new second homes will be built. This will create positive conditions for property appreciation.

All apartments and houses of Andermatt Swiss Alps AG are exempt from legal restrictions on buying and selling real estate by non-Swiss residents ("Lex Koller"). Up to 60% of the purchase price of a Gotthard Residence can be financed at attractive conditions through one of our partner banks.
