Reduced Price - Less than Home Report Valuation - Looks can be deceiving so do not miss out on this deceptively spacious extended three bedroom terraced house with large attic space which has potential for a possible further bedroom with en-suite or dressing room. The property is situated in a quiet cul-de-sac and there are ample parking areas in squares to front and rear. The property is close to local shops and Primary School. Larger towns such as Annan, Gretna and Carlisle are a drive away. This property should be viewed to be fully appreciated and would be a lovely family home.
