Situation **EASTRIGGS**

Eastriggs is a village 3.2 miles from Annan, 4.9 miles from Gretna which is at the English/Scottish Border and 15 miles from Carlisle. The village itself has local amenities including pubs, garages, caravan centre and Primary School. The historic museum and cafe The Devils Porridge is at the edge of the village bringing tourism. Eastriggs is on a good bus route. Plenty of outdoor activities such as walks to Solway Coast. For larger amenities Annan, Gretna and Carlisle are close by.

ANNAN

Annan is a town on the north shore of the Solway Firth and is just eight miles from the English border. Annan lies on the east side of the River Annan and gives access to the Annan harbour. Annan enjoys easy access to major road links both north and south. The Royal Burgh of Annan has a bustling high street with a good range of locally run shops, supermarkets and several cafes and restaurants. It has a selection of leisure facilities and has both primary and secondary schooling. Annan station has commuter links between Carlisle, Dumfries and Glasgow.

GRETNA

Gretna is just 2 miles from the Scottish/England border and gives easy access to major road links north and south. Gretna Green is famous for tying the knot and caters for thousands of eloping couples every year. It is an ever growing tourist spot with the historic Gretna Green Famous Blacksmith's Shop and in recent years a developing retail outlet village (Gretna Gateway). The town has a number of hotels and places to stay as well as places to eat. Local shops and small retail units including pharmacy line Central Avenue and the railway station is a short walk from the town.

Services

Mains Gas, electricity, water and drainage.

Space heating is by means of a gas fired central heating system with radiators located in the main apartments linked by copper piping. The majority of radiators have individual thermostatic controls with main thermostats in the hallways. The programmer is in the kitchen. The system is operated by means of a wall mounted 'Worcester' central heating boiler, in the kitchen, having a fanned flue. It is a condensing, combi boiler which heats the hot water with no hot water storage tank required.
