

# COTTON MEADOWS

WILSTEAD, BEDFORDSHIRE

An exciting new development of 3, 4 & 5-bedroom homes

LaganHomes<sup>®</sup>

Computer generated image represents a typical street scene at the development. Elevational treatments, handing, garage position, fencing and landscaping may vary. Please ask the Sales Advisor for details of specific plots.

A family of four is walking through a grassy field at sunset. The father is on the left, wearing a white t-shirt and a brown jacket. The mother is on the right, wearing a yellow t-shirt and dark jeans. Two young girls are in the middle, holding hands. The scene is bathed in the warm, golden light of the setting sun, creating a peaceful and idyllic atmosphere.

# A peaceful **village location** with exceptional travel connections

Cotton Meadows is an exclusive collection of beautifully designed 3, 4, and 5-bedroom homes located at the southern edge of Wilstead; a quaint village surrounded by beautiful countryside and with superb travel connections, all accessible from its idyllic setting.

# Welcome to Wilstead

Cotton Meadows is within walking distance to the excellent local amenities of Wilstead.

The village is surrounded by beautiful countryside, where you can explore the many public footpaths that weave their way through wood and field, whilst children can enjoy the Jubilee Playing Fields on the northside of the village.

There is a post office, convenience store, pharmacy, doctors' surgery and two popular takeaways at the centre of the village. The Woolpack pub on Bedford Road offers excellent bar snacks and Sunday lunch options.

Wilstead Village Hall, with its excellent modern facilities, offers a wide range of clubs and classes and is also available to hire for parties and events.

Herring Green Activity farm is located just outside of Wilstead, a fabulous, child-friendly farm attraction open 7 days a week.

COTTON  
MEADOWS

...a natural setting within  
a village community

# Bedford and beyond

Wilstead is located just 5 miles south of the vibrant county town of Bedford.

This diverse town offers an abundance of green spaces, fabulous transport links and excellent riverside amenities. With its range of museums and unique family attractions, there is plenty to do in this historic location. Take a stroll along the picturesque riverside and enjoy the plentiful amenities en route, including Riverside Bedford, which has a 7-screen cinema complex, 14 restaurants and a 100-bed hotel. The Harpur Centre, located in the heart of the town, is an award winning shopping venue with national and independent retailers.

For more serious shopping, just 18 miles west of Wilstead is the 'shopping paradise' of Milton Keynes. The centre:MK and Midsummer Place combined make up over 200+ stores. Midsummer Place is connected to centre:MK by a central atrium and is considered to be the premier shopping destination between London and Birmingham.

# Ideal for families

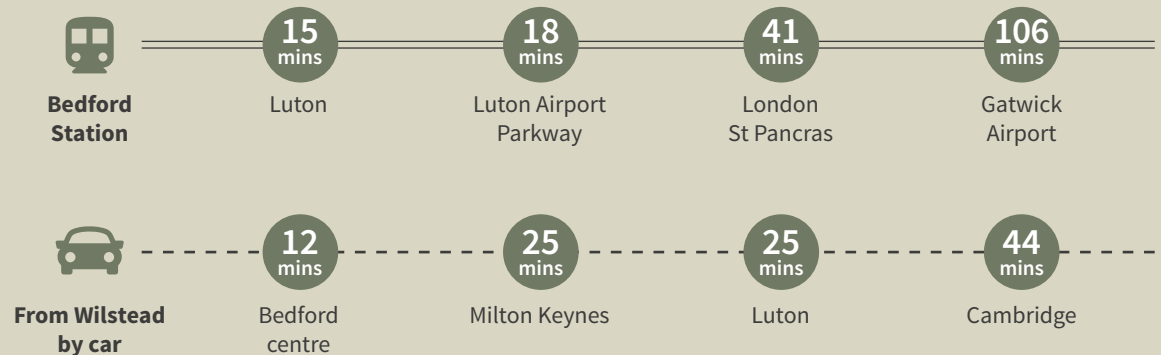

The Ofsted 'Good' rated Wilstead Primary School is within walking distance of Cotton Meadows. There is a selection of secondary schools in nearby Bedford, including the Ofsted 'Good' rated Daubeney Academy, which is just a short drive from the development. Wixams Academy which opened in 2017, is 1.8 miles away, or an 8 minute cycle ride.

For further education, the University of Bedfordshire offers a wide range of undergraduate and postgraduate courses. The campus in Pollhill Avenue provides a range of facilities including high-quality teaching spaces, two theatres, gym and dance studios, a four-storey campus library and a newly refurbished Students' Union social space. The University's renowned Physical Education and Sport Science Centre was used to train athletes in the 2012 Olympics.

# Stay connected

Cotton Meadows has access to some excellent transport connections. Wilstead is located just 5 miles south of Bedford train station, where you can travel into London St Pancras Station in as little as 41 minutes. The development is minutes from the A6, whilst the A1 and M1 are both less than 10 miles away. London Luton Airport is a 30-minute drive away offering holiday flights to 70 unique destinations across Europe, the Middle East and North Africa.

Awarded the prestigious 5 star rating for customer satisfaction by Home Building Federation.

Privately family owned housebuilder

Experienced team

Eco-friendly design and construction methods

6000+ homes built since 1983

9 live sites

# Sustainable Environment

As an established residential developer, sustainability is the greatest challenge facing our industry today and at Lagan Homes we recognise that everything we do has an impact on both people and the environment.

We take pride in fulfilling our duty to operate as a responsible business and aim to continuously reduce our environmental impact, which is reflected in the way we design and build our homes leading to a reduction in our carbon footprint every year.

Increasingly, we employ green construction methods by reducing, recycling and re-using waste, to optimise resources and minimise disruption. Our building materials are responsibly sourced and we aim to ensure that our homes and communities are built in a way that is respectful of the plants and wildlife in the surrounding area.

Our new homes are designed with energy efficiency as a key consideration, using the latest technologies, methods and materials to help cut down carbon emissions. Such as;

**Good levels of insulation**

**Quality construction on-site**

**High-efficiency heating systems**

**Energy efficient appliances**

**Low energy lighting**

**Save £3,100 on energy bills\***

In turn these measures help to improve the quality of life for our customers by significantly reducing the cost it takes to run a new home in one of our newly created communities.

Every effort is made to combine the character of our exteriors with that of their locations. When buying a new-build home with Lagan Homes you can be certain that alongside the thoughtful design and high-quality specification, your home has been created to maximise energy efficiency. 100% of all our homes built in 2022 were rated EPC B or above, and by buying a new build home this will help reduce carbon emissions by more than 2.2 tonnes a year.

On average this could mean as a new home owner you could save £3,100 on energy bills a year compared to an older house, keeping you warm in winter and saving you money for the more enjoyable things in life.

Disclaimer: Energy saving figures quoted are provided by the Home Builders Federation (HBF) Energy Report "Watt a Save" Updated February 2023.

Photographs show typical show home interiors from previous developments.

# Optional Extras

We recognise that each of our purchasers may have unique requirements, so in addition to our generous standard specification, we offer a range of optional extras to enhance your new home.

Tailor your home to your unique requirements with our range of options and extras available subject to the build stage. These can then be included during the construction process to ensure that your home is just the way you want it on the day you move in.

Optional extras will depend upon the stage of build but can include:

- **Kitchen unit, worktop and lighting upgrades**
- **Bathroom upgrades and extra tiling**
- **Fitted carpets, floor tiling and Karndean flooring**
- **Extra electrical, lighting and BT points**
- **Hard landscaping**

...well designed  
quality homes to the  
highest standards
