MARTINSHAW

MEADOW

Welcome to Martins Shaw Meadow in the historic village of Ratby, Leicestershire. Superbly located just five miles northwest of the city of Leicester, Martins Shaw Meadow is an idyllic residential development offering 54 beautiful two, three, four and five-bedroom homes designed for modern living.

Surrounded by rolling countryside and easy access to the M1 motorway, London, Birmingham and beyond, these exceptional homes offer the best of both worlds for working professionals and families looking to enjoy village life but still have easy access to the city's more extensive amenities.

YOUR GREEN HAVEN

The development at Martinshaw Meadow is named after Martinshaw Wood. Located between the villages of Ratby and Groby, Martinshaw Wood, combined with Pear Tree Wood and Burroughs Wood (also owned by The Woodland Trust), adds up to 390 acres (158 hectares) and is the largest continuous woodland area in Leicestershire and the National Forest. Perfect for scenic country walks, and exploring.

EXPERIENCE VILLAGE CHARM

06 —

RATBY

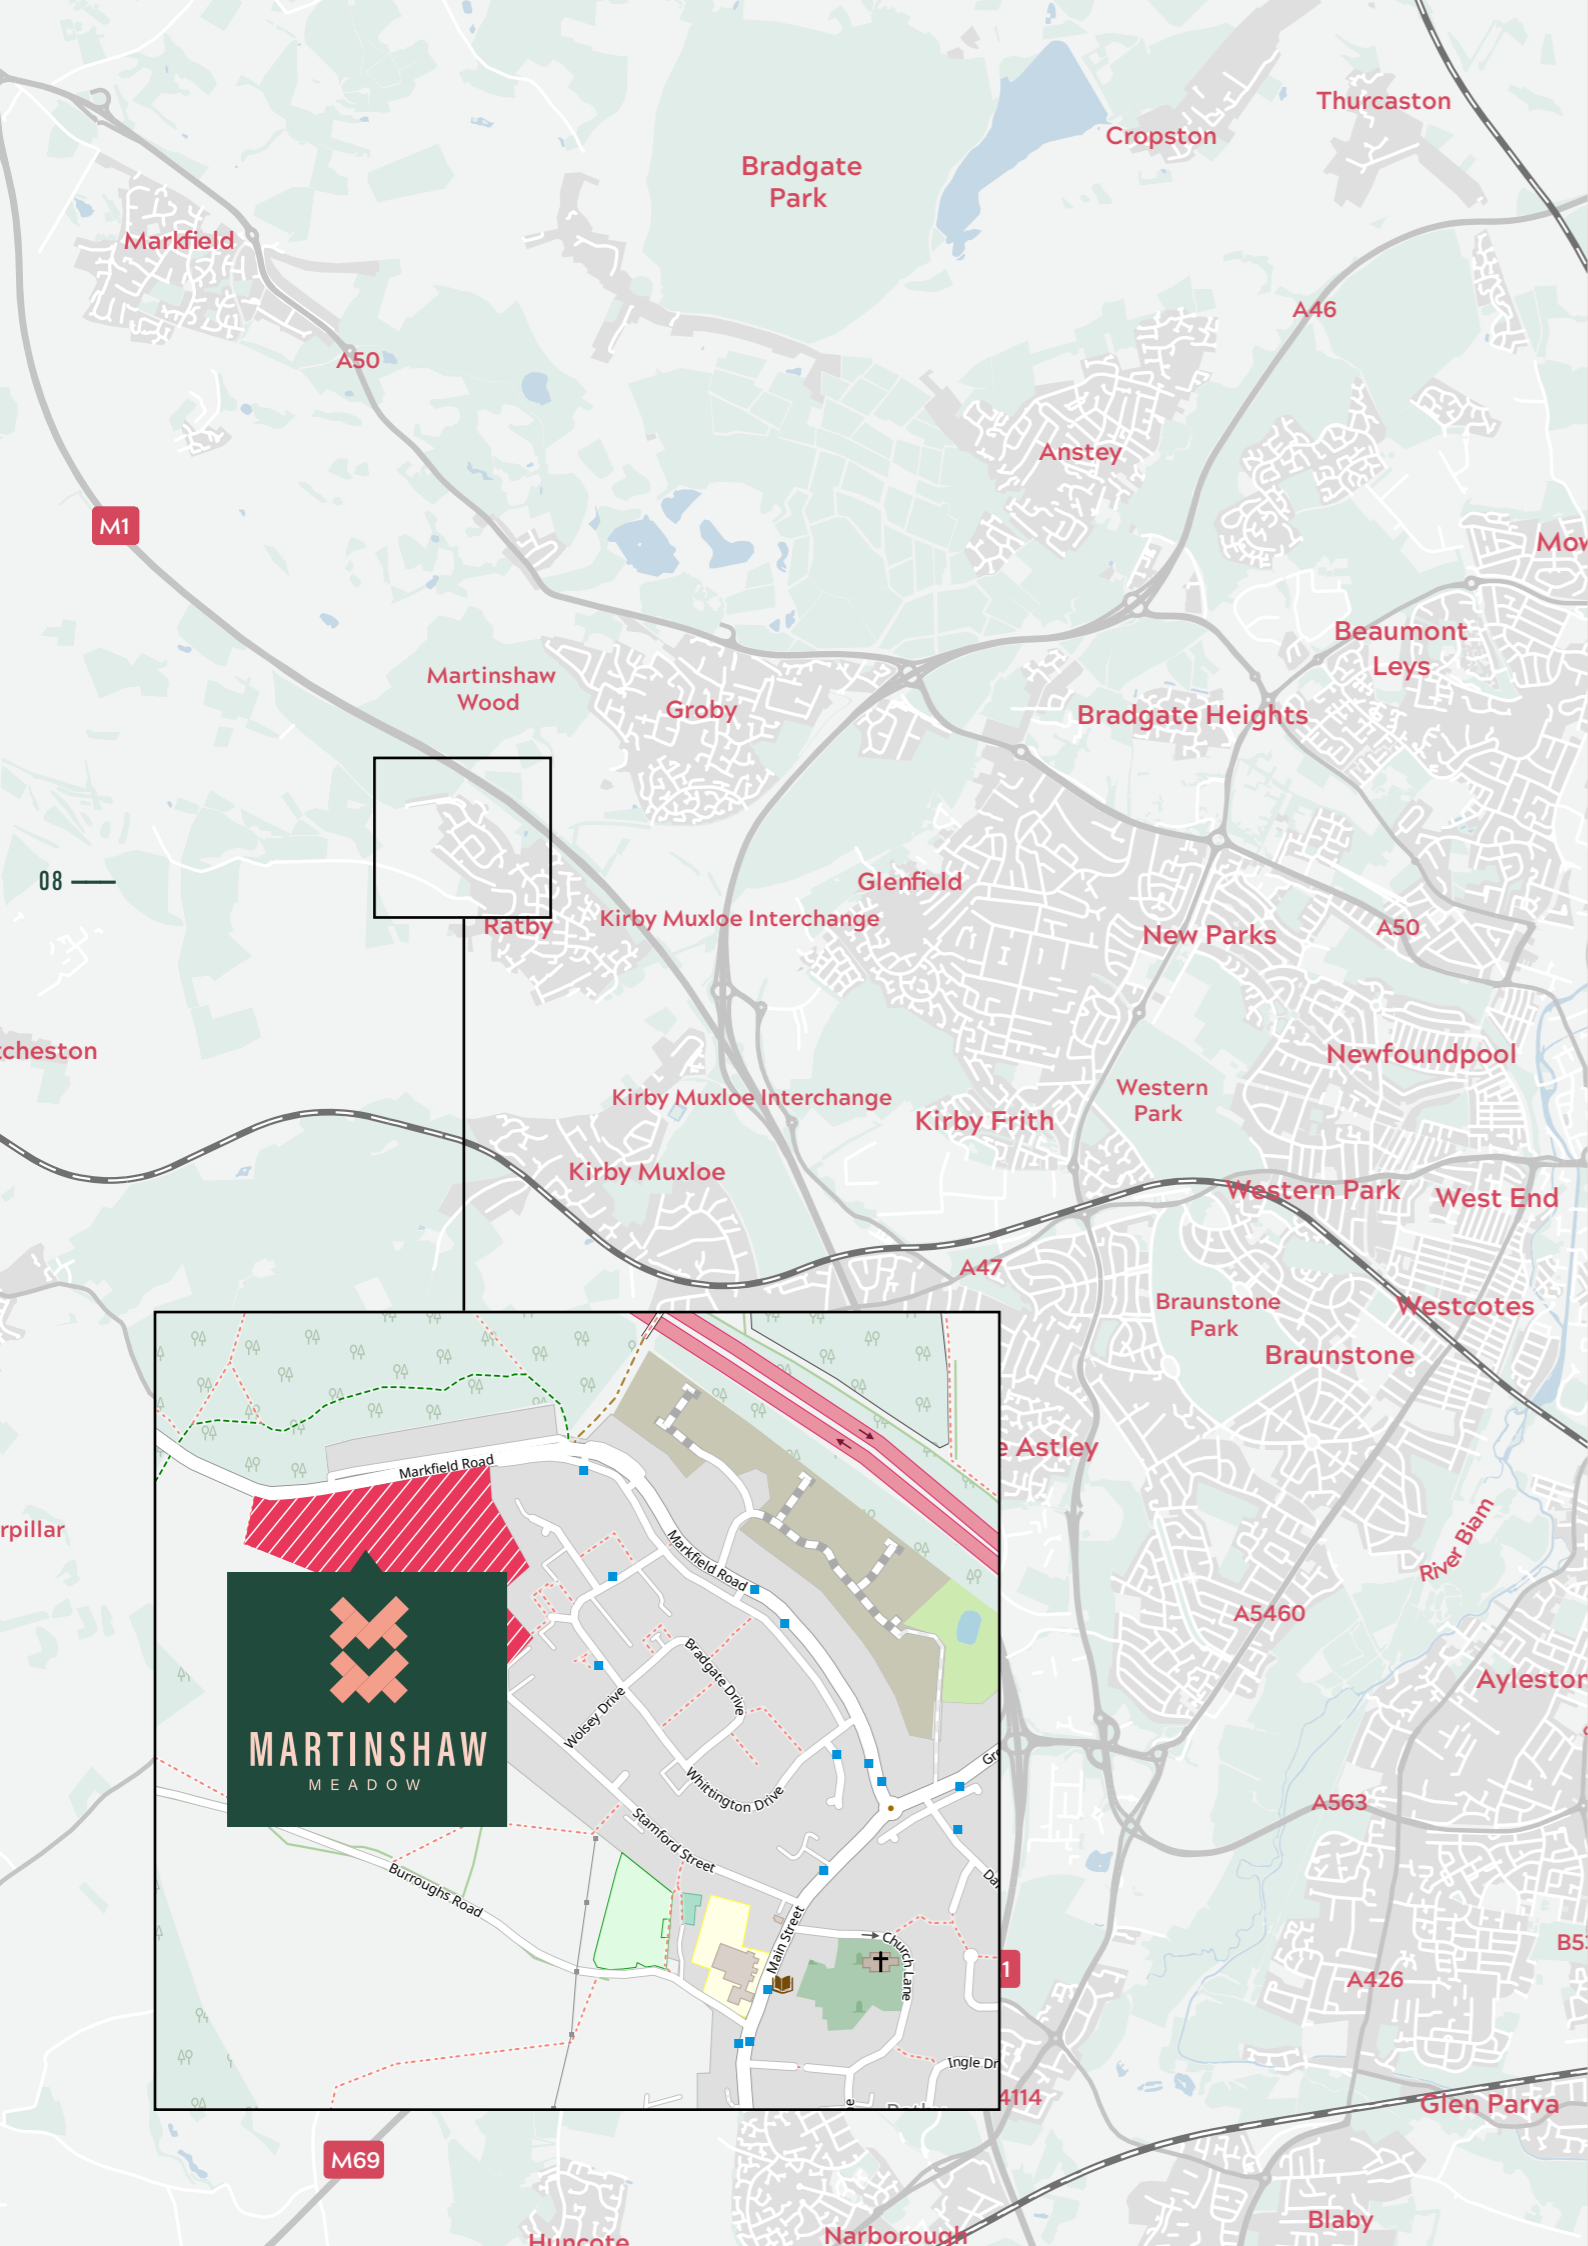

A highly sought-after area to live within Leicestershire, Ratby sits between the ancient forest of Charnwood and what was once Leicester Forest. With a history that stretches back to the Romans, Danes and Normans, annual community events that preserve and celebrate the past include Wakes Week, a Mummers Play and the Crow Pie Carnival.

— 07

The village has an excellent range of day-to-day amenities, with a new Co-op store, several hairdressers, a barber shop, a post office, three pubs and a primary school. Also, there is a village hall for local clubs, events and gatherings, and the Sports Club is home to the local football and cricket teams and a wide variety of recreational pursuits.

Neighbouring villages and market towns in the surrounding area include Hinckley, Market Bosworth, Ashby-de-la-Zouch, Coalville and Loughborough.

KEEPING YOU CONNECTED

Ideally located for commuting by road or rail, Martinshaw Meadow is just one mile from Junction 21a & 22 of the M1 motorway and five miles from Leicester's city centre. Ratby also has a regular bus service to and from the city.

Other major road links include the A444 and A50, and the M1, M69 and M42 motorway networks are easily accessible for travel north, south and west, with East Midlands International Airport 13 miles away.

East Midlands Railway offers a fast service from Leicester to London St Pancras in 1 hour 13 mins and Birmingham New Street in 45 minutes.

LOCAL EDUCATION

Ratby and the surrounding area are ideal for families with an excellent choice of primary and secondary schools. In the village, Ratby Primary School has a 'Good' Ofsted rating, and the neighbouring Groby, which is just over one mile away and a 4-minute drive, has Elizabeth Woodville Primary School (Good), Lady Jane Grey Primary School (Outstanding) and Martinshaw Primary School (Good).

The choice of state secondary schools includes Bosworth Academy (Outstanding), Heath Lane Academy (Good), Brookvale Groby Learning Campus (Outstanding), and Dixie Grammar School, a popular independent school, in Market Bosworth.

Further education and vocational courses are available at Leicester College; De Montfort and Birmingham universities offer a wide range of foundation, undergraduate and postgraduate courses.

ON THE DOORSTEP

There is plenty to do, see and explore in Ratby and the local area. Starting with Martinshaw Wood on the edge of the village. Set across 103 hectares (254 acres), this vast and picturesque woodland is steeped in history and features a diverse range of habitats and wildlife. With links to the neighbouring woodlands and an extensive path network, it is a wonderful place to explore, go horse riding, walk or cycle.

For fun family days out, there is Twycross Zoo, a 28-minute drive away, or Tropical Birdland, a 10-minute drive and for more active days out, Treetop Adventure Golf (15 mins drive / 6.1 miles), Wacky Warehouse (28 mins / 12 miles) and Gorse Hill City Farm

Source: Google maps September 2022

(12 mins/ 5 miles). Or for keen gardeners and a leisurely stroll, there is National Trust property, Stoneywell stately home and gardens (10 mins / 5 miles).

As you would expect, Leicester has many more options to discover and enjoy like the 360 indoor Play Centre, Leys Leisure Centre, Meridian Leisure Park for bowling and the latest blockbusters and an independent cinema and arts venue at the Phoenix Cinema & Arts Centre. Or for space enthusiasts, there is the National Space Centre.

SUSTAINABLE ENVIRONMENT

As an established residential developer, sustainability is the greatest challenge facing our industry today and at Lagan Homes we recognise that everything we do has an impact on both people and the environment. We take pride in fulfilling our duty to operate as a responsible business and aim to continuously reduce our environmental impact, which is reflected in the way we design and build our homes leading to a reduction in our carbon footprint every year.

Increasingly, we employ green construction methods by reducing, recycling and re-using waste, to optimise resources and minimise disruption. Our building materials are responsibly sourced and we aim to ensure that our homes and communities are built in a way that is respectful of the plants and wildlife in the surrounding area.

Our new homes are designed with energy efficiency as a key consideration, using the latest technologies, methods and materials to help cut down carbon emissions. Such as;

Good levels of insulation

High-efficiency heating systems

Low energy lighting

Quality construction on-site

Energy efficient boilers

In turn these measures help to improve the quality of life for our customers by significantly reducing the cost it takes to run a new home in one of our newly created communities.

Every effort is made to combine the character of our exteriors with that of their locations. When buying a new-build home with Lagan Homes you can be certain that alongside the thoughtful design and high-quality specification, your home has been created to maximise energy efficiency. 100% of all our homes built in 2022 were rated EPC B or above, and by buying a new build home this will help reduce carbon emissions by more than 2.2 tonnes a year. On average this could mean as a new home owner you could save **£3,100** on energy bills a year compared to an older house, keeping you warm in winter and saving you money for the more enjoyable things in life.

Disclaimer: Energy saving figures quoted are provided by the Home Builders Federation (HBF) Energy Report “Watt a Save” updated February 2023 based on the Government’s Energy Price Guarantee (EPG) cap increase on 1 April 2023
