THE PROPERTY

Residents will enjoy their own private outdoor space and access to a beautifully landscaped 2.5 acre riverside park and a range of impressive facilities designed by award-winning interior specialists, MAKE and Bergman Interiors.

Poplar Riverside will open up green space and river walkways for both residents and the public to enjoy, including a commercial gym and a riverside pub, connected to the landscaped parklands in the first phase. A public piazza for community events, grocery store, restaurants and cafés, will all help to transform Poplar into a unique new East London neighbourhood destination.
