Built in the late 1920's and offering an art deco vibe, James & James Estate Agents are delighted to bring to the market this superb, character filled, detached bungalow.

In brief the accommodation comprises front door into spacious entrance/dining hall, a feature West facing enclosed veranda, double aspect lounge with exposed beams and exposed focal fireplace, two double bedrooms, modern fitted shower room and separate W.C, with a feature double aspect kitchen/diner.

The bungalow sits on it's own grounds with gardens to all four sides, with the West elevation affording most of the natural sunlight to the front elevation, and the North elevation providing off road parking leading to a detached garage with a personal door back into the rear garden.

Other benefits include double glazing, gas central heating, and in our opinion internal viewing is considered essential to appreciate the overall size and character of this beautiful detached bungalow.

Situated in the heart of South Ferring village, local shops can be found nearby in Ferringham Lane which cater for everyday needs. The beach is just a short stroll away along with the famous Bluebird café, and the Compass bus stops outside. Worthing town centre with it's more comprehensive range of pedestrianised shopping facilities, bars and restaurants is approximately three miles distance, and the nearest mainline railway station is Goring-by-Sea giving great links to most major towns and cities.
