ONE BEDROOM FIRST FLOOR APARTMENT
IN A POPULAR RETIREMENT DEVELOPMENT,
OFFERED FOR SALE WITH VACANT
POSSESSION & NO FORWARD CHAIN.**

Homeleigh House is a popular retirement development for over 55's situated in a convenient position between Charminster and Bournemouth town centre, both offering a wide range of shops and facilities. Bournemouth train station is also just a short walk away with direct rail services to a wide range of destinations including London Waterloo, Manchester, Southampton, Poole and Weymouth, as well as a wide range of national and local coach and bus services.

The apartment is situated on the first floor of this friendly and welcoming three storey development and offers spacious and recently redecorated accommodation. It is one of the larger style of apartments in the block, designed for two people to live in comfortably, rather than the smaller units designed more towards single occupancy. The accommodation comprises entrance hall with storage cupboard, generously sized lounge/dining room overlooking the communal grounds, modern kitchen with a range of base and eye level units, double bedroom with built in wardrobe, and modern shower room.

Homeleigh House also benefits from the services of a House Manager and there is a 24 hour care line system in place with various pullcords throughout the apartment and the communal areas in case of an emergency.

There is also a large communal lounge with a recently updated kitchen where various activities take place, a communal laundry room and a guest suite for use by visitors to residents at a nominal fee. The block is set in well-maintained communal grounds and a car park provides off road parking for residents and visitors. Further benefits include a newly installed gas combi boiler (this being one of only a handful of retirement developments locally with gas central heating) and a recently extended lease, which is not affected by doubling ground rent issues.

This delightful apartment is offered for sale with vacant possession and no forward chain.
