## Description

A beautifully updated, spacious four-bedroom family home in a highly sought after location within walking distance of Southwell town centre.

This thoughtfully designed home sits in the pretty cul de sac of Wakeling Close, overlooking Bishop's Meade green towards Southwell Minster.

Originally built in the 1980's, this property has been completely updated throughout. In 2018 the current owners added an extension to the rear, creating a wonderful open plan kitchen, dining and living space. This classically contemporary room has a bespoke Burbidge & Son wooden kitchen with high end Bosch kitchen appliances. There is plenty of room for a dining table and the extended living space with cathedral ceiling and full height picture window provides a sunny spot to sit and enjoy the gorgeous south facing garden.

There is also a separate dining room and sitting room. The sitting room has a charming Inglenook fireplace, with attractive Limestone surround and contemporary gas fire which creates a cosy feel to this spacious sitting room with views over Bishops Meade.

Upstairs there is a galleried landing leading to four bedrooms including a lovely master with contemporary ensuite. The chic Utopia bathroom and ensuite have been finished to a high standard with a lovely neutral colour palette.

The fully enclosed rear garden has a large patio area, beautifully tiled with Sandstone, perfect for a spot of al fresco dining. From the patio there are steps up to the lawn, bordered with established plant beds. In the corner of the garden there is a lovely garden room, a versatile space which could also serve as a home office as it is fully insulated, double glazed and fitted with lighting and power points.

With views of the open countryside to the rear; this location is difficult to beat if you are looking for a slice of the countryside within easy reach of Southwell and all that it has to offer.
