Description

A spacious five bedroom family home in the picturesque village of Caunton.

Greengage House sits on a delightful plot, formerly the site of a dutch barn, in the heart of the village surrounded by lovely period properties with views of the historic local church. At the front of the property there is a generous paved driveway and pretty front garden, bordered by mature hedges. At the rear there is a fully enclosed garden with a stone patio and beautiful south facing aspect.

This attractive detached property was built by the current owners 15 years ago and boasts 5 double bedrooms, 3 ensembles and an abundance of downstairs living space.

Having designed and built the house for themselves, the owners have taken the time to think about how the space works in this home. The sitting room and kitchen have bifold doors through to the garden room, opening up these rooms to create a wonderful connected space for family living and entertaining. The practicalities of family life have not been forgotten, there is an enviable utility room with bags of storage and counter space, a separate dining room and a good sized home office which is practically positioned away from the main family hub.

At over 280 square meters of floorspace this three storey property is a generous sized family home which is ready to move into; giving you the time to enjoy the beautiful countryside which surrounds the property and village.

The village of Caunton is a pretty rural hamlet which sits around 5 miles outside of Southwell. It has its own primary school and is within the Minster school catchment . It benefits from the school bus school bus which picks up in the village. There is a popular tennis club and cricket club and it is just a short walk to the local pub.

Frontage

To the front of the property is a large block paved driveway, with parking for several vehicles, and a good size front lawn which is bordered with mature hedges. The driveway leads up to the front door to the property and to the side gate, large enough for vehicle access, through to the rear garden.
