Offers In The Region Of £130,000

Property Description

Reid & Roberts Estate and Letting Agents are thrilled to present this charming mid-terraced property, conveniently located on the outskirts of Mold Town Centre. This property stands out with its original features, offering a rare opportunity to own a home with character and traditional charm. From original fireplaces to decorative coving, every corner of this home exudes potential and is a true reflection of its era.

While the property would benefit from modernisation and renovation, it offers a blank canvas for buyers to put their own personal stamp on. With some thoughtful updates, this house could easily become a stunning family home or a perfect investment for those looking to step onto the property ladder. Whether you are a first-time buyer or an investor, this home represents a fantastic opportunity to create something truly special in a desirable location.

The ground floor features an inviting Entrance Porch, a cosy Lounge and Dining Room and Kitchen. Upstairs, there are two Bedrooms and a Family Bathroom. Externally, the property benefits from a small front garden, while the rear offers an enclosed yard with the original w.c which is now utilised as additional storage. The property is available with No Onward Chain, making it a fantastic opportunity for a hassle-free move.

Mold is proud to be the home of the largest and best remaining street market in North Wales and is held high esteem by traders and shoppers alike, for the range of goods available alongside its warm traditional Welsh welcome. Mold is also lucky to have some great Primary and Secondary schools including both English and Welsh. It has a wide range of health care facilities available around the town including dentists, doctors and opticians. Mold offers a wide range of shops, recreational facilities, libraries, a variety of supermarkets, theatre and cinema, as well as the A55 being a close link to the main motorway networks across the North and North West regions.

Accommodation Comprises
