Lounge

Entering through a communal wooden front door, you are welcomed into a shared hallway that leads to the apartment's own wooden front door. This opens into the exceptionally spacious lounge, a room with loft-style character and versatility, ideal for use as both a living and dining space. The room is illuminated by large, wood-framed double-glazed windows to the side elevation, which flood the space with natural light. Additional features include two double-panel radiators, an alcove with a fitted light, brand new carpets, and a wall-mounted phone for the building's entry system.

Hallway

From the lounge, a door leads into the hallway, which continues the brand new carpeting and benefits from a high ceiling with a double-glazed Velux skylight, adding to the bright and airy feel. The hallway also houses a wall-mounted unit for the electric meters and provides access to the kitchen, bathroom, and second bedroom.

Kitchen

The kitchen is modern and well-equipped, offering a range of wall and base units with complementary worktops. It features a stainless steel one-and-a-half bowl sink with a mixer tap and drainer, a built-in Hotpoint gas hob with a stainless steel extractor hood, and an eye-level Hotpoint oven and grill. Integrated appliances include a fridge-freezer, dishwasher, and washing machine. A Worcester combi boiler is neatly boxed in, while brick-style tiled splashbacks add a stylish finish. The kitchen benefits from a wood-framed double-glazed window to the side elevation, tiled flooring, a Velux skylight, and two ceiling lights.

Principal bedroom

The principal bedroom is an impressive, L-shaped room with charming architectural details, including an arched alcove and a square alcove, both with ceiling light points. The room is carpeted and features a double-panel radiator

and double-glazed wooden-framed windows with a full glass panel door that opens onto a private rear courtyard. This outdoor space is graveled with stone-built walls and shrubbery, providing a serene extension to the bedroom and enhancing the light and airy atmosphere.

En-suite

The bedroom also benefits from an en-suite bathroom, comprising a three-piece suite with a corner shower cubicle, a pedestal sink with a fitted vanity unit, and a low-flush WC. Fully tiled walls and flooring, an extractor fan, and a ceiling light complete this well-appointed space.

Second bedroom

The second bedroom is also generously proportioned and features a large wood-framed double-glazed window, a double-panel radiator, and a central ceiling light, making it a versatile space for guests, a home office, or additional living space.

Main bathroom

The main bathroom is finished to a high standard with a three-piece suite, including a panelled bath with a mixer tap and wall-mounted electric shower, a pedestal sink with a vanity unit beneath, and a low-flush WC. The bathroom is fully tiled, with a Velux double-glazed window, an extractor fan, and a ceiling light adding to the functionality and style.

Outside

The property benefits from steps leading up to a communal garden area, thoughtfully laid with gravel for ease of maintenance. This outdoor space offers room for a clothesline and seating, making it an ideal spot to enjoy the sunshine and fresh air. You will also find parking to the front.
