Expansive Lounge with Exposed Mill Gearing

Full of character, the lounge features timber flooring, exposed beams, and the dramatic centrepiece of the original mill gearing. With views across surrounding countryside through the feature glass window nook with a further two windows to the front and rear elevations and a charming 'Derby' multi-fuel stove set against a stone wall and slate hearth, with panelled radiators, ceiling and wall light points this space is perfect for cosy evenings. Access to the utility room and kitchen diner is via feature wooden doors with glazed panels.

Kitchen and Dining Area

A beautifully designed and welcoming space, the kitchen/diner offers a perfect blend of rustic charm and modern convenience. Light pours in through windows on three sides, enhancing the sense of space created by the vaulted ceiling with exposed beams. The kitchen is fitted with a stylish selection of country-style base units, topped with solid work surfaces, and comes complete with integrated appliances, including a range-style cooker with extractor hood, dishwasher, fridge, and freezer. There's plenty of room for a generous dining table, making it the ideal setting for both everyday family meals and larger gatherings. Period flooring flows throughout, and a characterful exposed brick wall adds a striking focal point.

French doors provide direct access to the decked terrace while patio doors lead to the rear garden, creating a seamless connection between indoor and outdoor living, perfect for entertaining or simply enjoying the peaceful surroundings.

Utility Room

A well-appointed and practical space, the utility room is fitted with wooden worktops and base cupboards, offering useful additional storage and workspace. With void for a tumble dryer and stone tiled flooring. A particular highlight is the arched doorway with decorative inset detailing, adding a unique and characterful touch. The room also provides access to both the rear garden and the ground floor cloakroom, making it a functional yet stylish part of the home.

Cloakroom W.C

Comprising of a low flush W.C and wash hand basin set in a vanity unit with frosted glazed window to the side elevation and stone tiled flooring.
