This beautiful property offers a perfect blend of traditional charm and modern living.

Inside, the property boasts four double bedrooms, thoughtfully arranged for versatility, with the option for ground-floor living with the added benefit of a spacious family bathroom to each floor.

The heart of the home is the expansive open-plan kitchen and living area, featuring oak worktops complemented by metro-style cream tiles. The kitchen is fully equipped with an integrated AEG fridge freezer, dishwasher, and a freestanding Belling Farmhouse electric range. The cabinets are finished in Fern Green with antique brass hardware, offering both style and functionality. The large living room is warmed by an 8kW multifuel woodburning stove, with rustic oak flooring throughout the living areas, while the bedrooms are carpeted for comfort. TV points are provided in both the living room and bedrooms, along with double sockets featuring type A and C USB points.

The property offers underfloor heating on the ground floor, with traditional radiators upstairs. The home's construction includes natural sandstone, traditional stone mullions, and a water table, with a beautiful Welsh slate roof. Bespoke timber double-glazed windows and French doors to complete the classic look, while the Chartwell Green front door with its four locking points offers added security.

To the rear, you'll find a substantial lawned garden, with a large patio extending across the length of the house, perfect for outdoor entertaining. The property also offers external parking with a driveway providing space for two cars.

A well-thought-out design includes built-in storage on the landing and in the bedrooms, adding convenience and practicality.
