The Property

Nestled within breathtaking parkland, Broomfield House is an exceptional family home that effortlessly blends grandeur with comfort. Offering substantial and versatile accommodation across three floors, this distinguished residence is designed for both refined entertaining and everyday family living.

Upon arrival, electric gates open onto a sweeping driveway, leading to extensive parking and a double garage with a separate annexe above. The approach sets the tone for what lies beyond—an exquisite home offering unparalleled elegance and space.

The ground floor is a masterclass in open-plan sophistication. A magnificent reception area with a striking marble floor flows seamlessly into the vaulted drawing room, where arched picture windows and French doors flood the space with natural light and offer direct access to the terrace. The formal dining hall, also with central French doors, enhances the fluidity of the layout, making it ideal for hosting.

The heart of the home is the stylish, fully integrated kitchen and breakfast room, which opens into an inviting family room. With direct access to the terrace and gardens, this space is perfect for relaxed gatherings. Further complementing the ground floor are a utility room, study, gym/office, two well-appointed bedrooms with fitted wardrobes, a bathroom, and a cloakroom.

On the first floor, the impressive principal suite boasts a generous dressing room and an opulent en suite bathroom. Four additional bedrooms, including one with an en suite shower room, and a family bathroom complete this level. The second floor offers further flexibility, featuring a spacious bedroom with built-in storage and an en suite shower room.

A true highlight of Broomfield House is its meticulously landscaped gardens. Designed to take full advantage of the mature, private setting, the grounds offer panoramic views over the surrounding parkland. Terraces brimming with vibrant flowers and sculpted shrubbery rise elegantly from the expansive sun terrace, which is perfectly suited for al fresco dining and entertaining. A detached summer house, a fully equipped summer kitchen, and a heated outdoor swimming pool further elevate the lifestyle offering.
