A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around Thornly Park

Less than four miles from Glasgow Airport, Thornly Park is around fifteen minutes' drive from Glasgow city centre via the M8. The road links are complemented by outstanding rail services. Paisley benefits from two local train stations, at Gilmour Street and Canal Street, and Barrhead station is also nearby. Frequent fast trains from Gilmour Street Station, two miles away, reach Glasgow Central in around ten minutes. Additional services from Canal Street Station and Barrhead Station, a mile and a half to the north and south respectively, run approximately every half hour to Glasgow Central, and there are also direct rail links with Kilmarnock, from Barrhead, and with Ayr and Wemyss Bay from Gilmour Street. Buses to the railway stations stop just outside the development.

Within a mile, there is a Morrisons supermarket and a local shopping precinct at Glenburn with a convenience store, pharmacist, post office, family butcher, health centre and community centre. Shops at Barrhead, to the south, include Asda, Lidl and Tesco supermarkets. Paisley, with its magnificent architectural and cultural attractions including the breathtaking Abbey, the Coats Observatory and the exciting Arts Centre, presents a superb blend of the old and the new.

Welcome home

Set in beautiful green surroundings just two miles from the attractive town centre of Paisley, within easy commuting range of Glasgow and convenient for Glasgow airport, this attractive selection of energy-efficient new build homes for sale brings an exciting new neighbourhood into an exceptional location. Offering a choice of prestigious three, four and five bedroom properties, attractively landscaped in a peaceful, tree-lined setting, it presents an outstanding residential opportunity. Welcome to Thornly Park...

The Miller Difference

The Miller Difference
Every home we build is the start of an adventure. For more than 85 years we've watched people stamp their individual personalities on the homes we build. What we create is your starting point. Our job is to make sure it's the best one possible.

Shaped around you
For more than three generations, we've been listening to our customers. We know what you expect: the highest quality materials, the most skilled workmanship, ready to be shaped around your lifestyle.

Built on trust
Figures and statistics matter. We have, for example, a five star rating for Customer Satisfaction, the best possible, from the Home Builders Federation.

Even more important, though, is the feedback we get from our customers. After we've been with them on the journey from their first enquiry to settling into their new home, well over 90% say they would recommend us. That's the real measure of the trust they place in us.

Helping where we can
You might already have a clear picture of life in your new home. Or it might be a blank canvas. Either way, getting there is an exciting journey of discovery. And we're here to help.

From the first time you contact us, whether by phone, video call or a tour of a show home, we'll be listening carefully. Only you know what you want, but we'll be working with you to achieve it.

And we'll still be on hand, ready to help, long after you move in, quietly sharing your pride and satisfaction.

Pushing up standards
From beautiful locations and superb architectural design to meticulous construction work and exceptional finishes, our expertise is widely acknowledged. Our award-winning developments embrace state-of-the-art technologies and green thinking, but we never lose sight of the importance of craftsmanship. Every step is subject to rigorous Quality Assurance checks, and we reward our highly trained teams for safe and careful practice.

A smooth customer journey
Our award-winning service reflects the same high standards. As we guide you through our choices, decades of experience inform every step. So you can relax and enjoy the journey, knowing you have all the information you need.

With you every step of the way
After meeting your Development Sales Manager, who will help you choose and buy your new home, you'll be introduced to your Site Manager, who will be responsible for every aspect of the building work. They'll both be happy to answer any questions you have.

Fully involved
Your new home will quickly be moulded to your personal choices. So will our service. Once you tell us how you want to keep in touch, whether by phone, text, email, our custom designed app or via our website, that's how we'll keep you regularly updated and informed. You'll be able to access all the records of meetings, and see what happens next.

Make it your own
Even before you move in, there's the excitement of planning your interior. Choosing tiles and worktops, making decisions about appliances. We'll help wherever we can. Our Visualiser, for example, can help you make selections online then see them for real in the Sales Centre. Already, it's becoming your own, personal, space.

At a safe time during building, we'll invite you to visit your new home for a Progress Meeting where you can see the craftsmanship and attention to detail for yourself before it's covered up by fittings and finishes.

A place to grow
For us, the mark of success is seeing every home become unique, an individual reflection of the people who live there, and watching it become part of a thriving community.

By creating sustainable homes, in sustainable communities, we're helping to build a sustainable future for everyone. Including ourselves.

your home
your way...

The partially pedestrianised Paisley town centre features a variety of shopping environments, from traditional streets filled with shops, cafés and restaurants to the twice monthly Farmers' Market and high street fashion and sports brands in the Paisley Centre. The fashion and technology stores and Showcase cinema at Phoenix Retail Park are complemented by major retail centres at Silverburn and at Braehead, with its cinema, skating, snowsport and indoor climbing centres, and live concerts and sports at the Braehead Arena.

The wide choice of sports and fitness amenities include a gym and swimming pool at Lagoon Leisure Centre, and there are two local golf courses. Thornly Park is set on the edge of the vast Gleniffer Braes Country Park, presenting endless opportunities for walking and cycling through moors and woodlands that provide habitats for a rich variety of wildlife. With the Glenburn and Harelaw Reservoirs, Craigie Linn waterfall and the Glen Park just a short walk away, the development is a perfect base for outdoor activities.

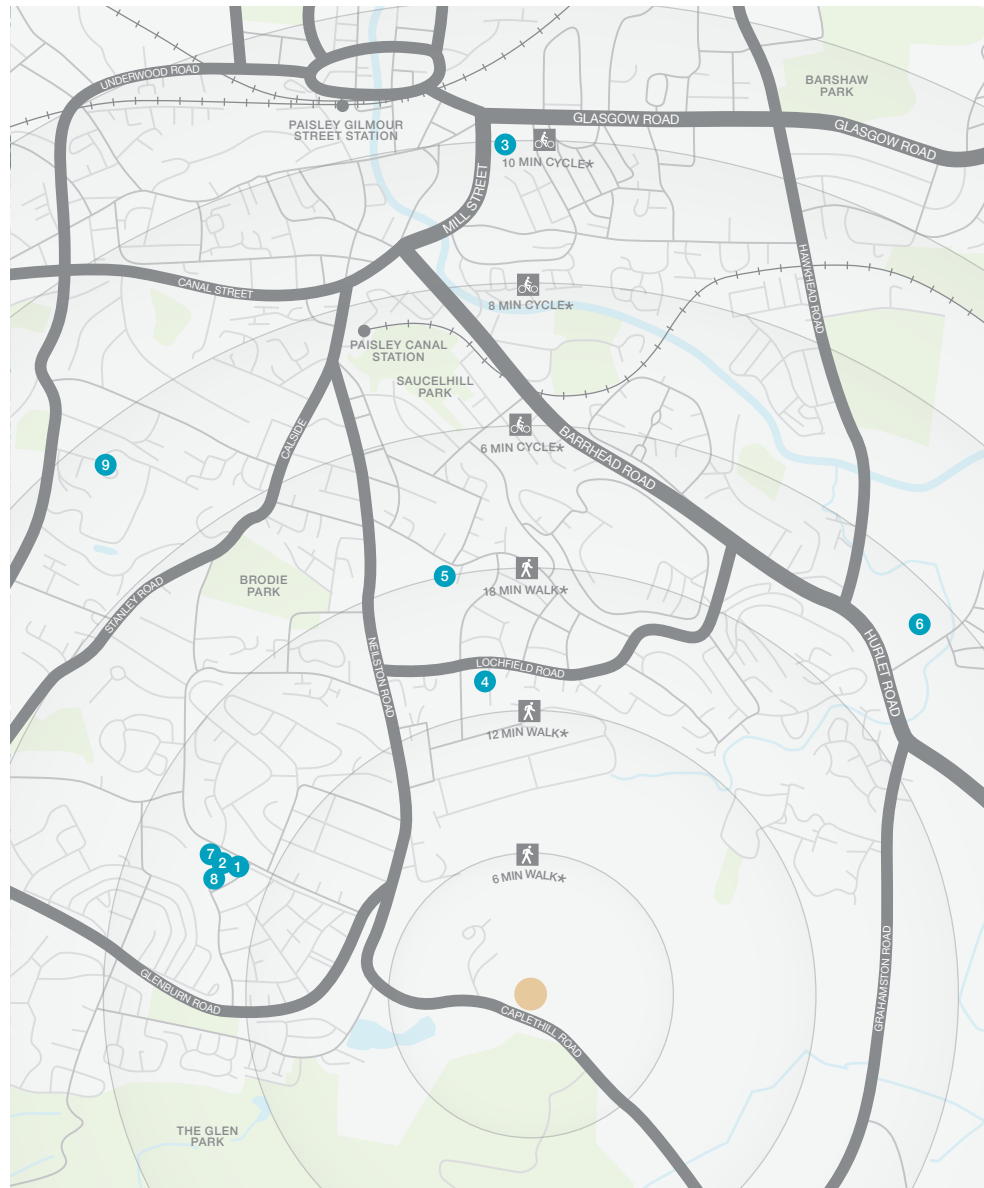

The homes are in the catchment areas for Lochfield Primary and St Charles RC Primary Schools, and for St Andrew's Academy and Gleniffer High School, all within around two miles. Glenburn Health Centre and Glenburn Dental Practice are both situated in Glenburn shopping precinct, and the Royal Alexandra Hospital, less than two miles away, has a 24-hour Emergency Department.

Useful Contacts

When you leave the car at home and explore the local area by foot or bicycle, you get to know it so much better. And by using local shops and services, you'll help to keep the neighbourhood vibrant and prosperous. Every place has its own personality, and once you move in you'll soon find your favourite walks, and the shops you like best. As a starting point this map shows some of the most useful features and services within a short stroll or bike ride.

Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.
