This beautiful family home on South Albert Road, North Reigate, is a haven of comfort, style, and practicality, nestled within a sought-after residential area. Built in 1997, this semi-detached property blends modern convenience with timeless charm, making it ideal for family life.

From the moment you enter, the home's welcoming atmosphere is felt, with the kitchen breakfast room setting the tone for warmth and functionality. With its sage green shaker cabinets, warm wooden worktops, and a country-inspired tiled floor, it's both functional and charming. The breakfast bar and built-in seating area provide a cosy spot for morning coffee or gathering as a family before the day begins, making it a room filled with life and connection.

The open plan rear reception room presents itself as the heart of family entertaining. Combining a zoned dining area and a spacious sitting room, this versatile space adapts seamlessly to any occasion, from cosy nights in to hosting larger family gatherings.

The large bifold doors, which span the back of the room, bring in an abundance of natural light, creating an airy and bright atmosphere that effortlessly merges indoor and outdoor living. Opening onto the private, landscaped garden, these doors are a gateway to an oasis of calm and beauty.

The garden itself is meticulously maintained, enclosed by a striking brick garden wall that adds character and a sense of privacy. The raised patio area at the rear of the garden captures the best of the sunlight, making it the perfect spot for al fresco dining in the evenings, or a quiet space for relaxation after a busy day. The planting, neatly framed by wooden sleepers, adds colour and texture to the outdoor space, ensuring it's both a retreat and an inviting area for children to play or for adults to enjoy.

The first floor of the property is designed with family life in mind, featuring three well-proportioned bedrooms. Each room is filled with natural light and offers ample space for children, guests, or a home office. All three rooms are serviced by a modern, family bathroom, complete with contemporary fixtures, providing both style and practicality.

On the second floor, the principal suite offers a true sanctuary for parents. This loft-style bedroom is generously proportioned, with large windows providing views across the treetops and an en-suite shower room for added luxury. Clever use of the eaves for storage ensures that every inch of the home is maximised, making this top floor retreat not only a peaceful space but a functional one too.
