IF YOU LIVED HERE...

Your 300 square foot through lounge is an instant highlight brightly lit by a double glazed bay window adorned with bespoke wooden shutters. Pristinely restored original timber floorboards flow underfoot and there's a striking vintage hearth and marble mantel sat between a wealth of bespoke open shelving and storage. Even this is just the start though, from here you can step down into your covetable kitchen/diner, all skylights and exposed brick.

In here a substantial chef's island takes centre stage, complementing flanks of light bespoke birch ply cabinets and terrazzo worktops. You have a double width, stainless steel chef's oven, and an entire rear wall of floor to ceiling patio doors opens everything up to that astonishing garden, bringing the outside in in fine style. Upstairs now, where your family bathroom keeps the standard high, with a smartly finished tub and frameless walk in rainfall shower.

Onto the sleeping arrangements now. Your principal bedroom to the front comes in at an impressive 140 square feet, with classic cast iron radiators under the twin sash windows and more of that lovely vintage timber flooring underfoot. Bedroom two's another double, sat to the rear for a garden view. Your sizeable loft conversion is home to two more double bedrooms, one an especially impressive skylit affair, with accompanying sleek en suite.

Outside and you have a bona fide London landmark on your doorstep. Victoria Park spans over 200 acres of diversely landscaped greenery. Dating back to 1845 it's still London's most popular public park and is home to a boating lake, playgrounds, cafes, cricket pitches, tennis courts and so much more. An enviable option for morning runs or evening strolls and all just five minutes on foot from your new front door.

WHAT ELSE?

- Homerton overground station is half a mile on foot for direct eight minute runs to Stratford and a whole host of onward underground, overground and international destinations (not to mention the huge Westfield shopping centre).
- Parents will be pleased to find twenty four primary/secondary schools nearby, all rated 'Outstanding' or 'Good' by Ofsted, and all less than a mile away on foot.
- You're spoilt for choice when it comes to a new local, but be sure to try out The People's Park Tavern on the borders of Victoria Park, just ten minutes on foot.

A WORD FROM THE OWNER...

"We moved here from Dalston back in 2016 for more space and because we wanted to get stuck into a bit of a project we could make our own. A year later after a lot of blood sweat and tears we finally had the house ready and have loved being here ever since. It's been a pleasure living on Bushberry Road, the street has a lovely vibe and we've become good friends with many of the neighbours. The location is tucked away but it's well located for Homerton station, Victoria Park, Hackney Marshes, the Wick and the Olympic Park. There's so much green space it's really been a blessing. We've been in Hackney since 2008 and will be sad to move on but as they say, a change is as good as a rest!"
