IF YOU LIVED HERE...

Extra touches such as residents' gym and communal lounge sum up just how smartly designed this development is. It's all tailor-made for a busy, modern lifestyle, as is the apartment itself, with its immaculate decor and high quality fittings.

Your open plan kitchen/living area has glossy hard flooring sweeping the length, complete with sleek cabinets, integrated appliances and sparkling worktops.

The bedroom is just as plush, with a stylish deep blue feature wall, while the bathroom is immaculate, with contemporary fittings and an over-tub rainfall shower.

Outside and you're right in the heart of Stoke Newington's friendly community. Despite the village-y feel, Stoke Newington Overground will get you directly to Liverpool Street in 16 minutes. As your new home's just six minutes from the station, that's an impressively short commute.

Even closer to home you'll find Stoke Newington Church Street, home to a wonderful selection of pleasant pubs and eateries, such as the The Good Egg Neighbourhood Restaurant and Spence Bakery. Stores range from convenient chains to cute independents, so you've really got everything at your fingertips.

WHAT ELSE?

- A mile away, Springfield Park is home to a pond, playgrounds and tennis courts, as well as waterside strolls by the River Lea. Perfect for a morning jog, afternoon picnic or evening stroll.
- A six minute, three stop ride from Stoke Newington gets you to Hackney Downs, and the bustling, varied nightlife of one of East London's liveliest boroughs.
- Hop on the 73 bus to Angel, Islington for more fantastic amenities and the stores found around Upper Street (even if you're just window shopping).

A WORD FROM THE OWNER...

"This was our first home together and we had a very happy time here in Stoke Newington. We love the privacy of the flat. The view over the trees in the cemetery and the sound of birdsong in the morning and evenings.

The Abney Park Cemetery investment and redevelopment is a wonderful addition this year (2024) with beautiful walks at any time of year. The new cafe at the park entrance is a delight and the chapel is now open for events throughout the year. The local shops and independent boutiques and eateries on Church Street have always got something new to offer. Whole Foods and Harvest offer organic foods and some great dinner options and coffee. Lots of variety in local restaurants and cafes to work from if you are freelance or working remotely. There are lots of local pubs and bars to go to just a short walk away. The Three Crowns do an amazing Sunday Roast, the Jolly Butcher also have a vast number of beers and IPAs and a guest curry chef and Sunday Roast too. Clissold Park is a lovely running spot, with Finsbury Park just a little further. Open water swimming is also available at the West Reservoir Centre very close by. There is also a wonderful community vibe of the area with some people you see daily who will be happy to stop and have a chat."
