A WORD FROM THE OWNER...

"We have lived here for over seven years and loved every minute. The location is excellent — we have everything we could possibly need within walking distance — and it's a great space for entertaining before heading out to explore some of the best restaurants, pubs and nightlife that we have on our doorstep. Huge windows mean our flat is flooded with light year-round, and we love gazing out at such a big sky and the fact we're not overlooked. Triple-glazing and top-drawer insulation means it's unusually peaceful and something of a retreat that's still in the heart of the action. And despite having neighbours adjacent, above and below us, we never hear them, which is priceless. Our fellow residents are a friendly bunch and a text message away if you need to borrow something or drop off a key. We feel very safe here. And the people watching? Simply unparalleled!"
