Auction Information

This property is for sale by the Modern Method of Auction – Committed Buyer Route.

The sale is conducted under traditional auction terms but via a modern online bidding platform, providing flexibility and transparency throughout the process.

Upon acceptance of an offer, the buyer will be required to: Sign a Reservation Agreement of the final agreed sale price of £4,500, including VAT.

This secures the property exclusively for the buyer during the 56-day completion period from the date the draft contract is issued to the buyer's solicitor. This extended timeframe allows buyers to arrange mortgage finance (subject to lender criteria, affordability, and survey).

Please note:

The Reservation Fee forms part of the chargeable consideration for stamp duty calculations.

The property is subject to an undisclosed Reserve Price.

Both the Starting Bid and Reserve Price may be subject to change.
