A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around Mill Chase Park.

Ten minutes' walk from Bordon town centre, Mill Chase Park is within 40 minutes' drive of the M25 and just half an hour from the south coast by road. Trains between Portsmouth and London stop at Liphook, four miles away, reaching Waterloo in just over an hour, and Portsmouth and Southsea Station in around 45 minutes. Local buses include services to Liphook, stopping a short walk away, as well as to Basingstoke, Haslemere, Farnham, Aldershot, Petersfield and Havant, and National Cycle Route 22 passes along Mill Chase Road.

The Forest Centre, ten minutes' walk away, offers a Lidl supermarket, branches of Boots, Wilko and Poundstretcher, a convenience store, a post office, a gym, a café, a pub, and the local Library. A variety of food takeaways, hairdressers and other services can be found along Chalet Hill and in the High Street, where there is also a Tesco Superstore. A farm shop, garden centre and gift emporium, Country Market, can be found two and a half miles away.

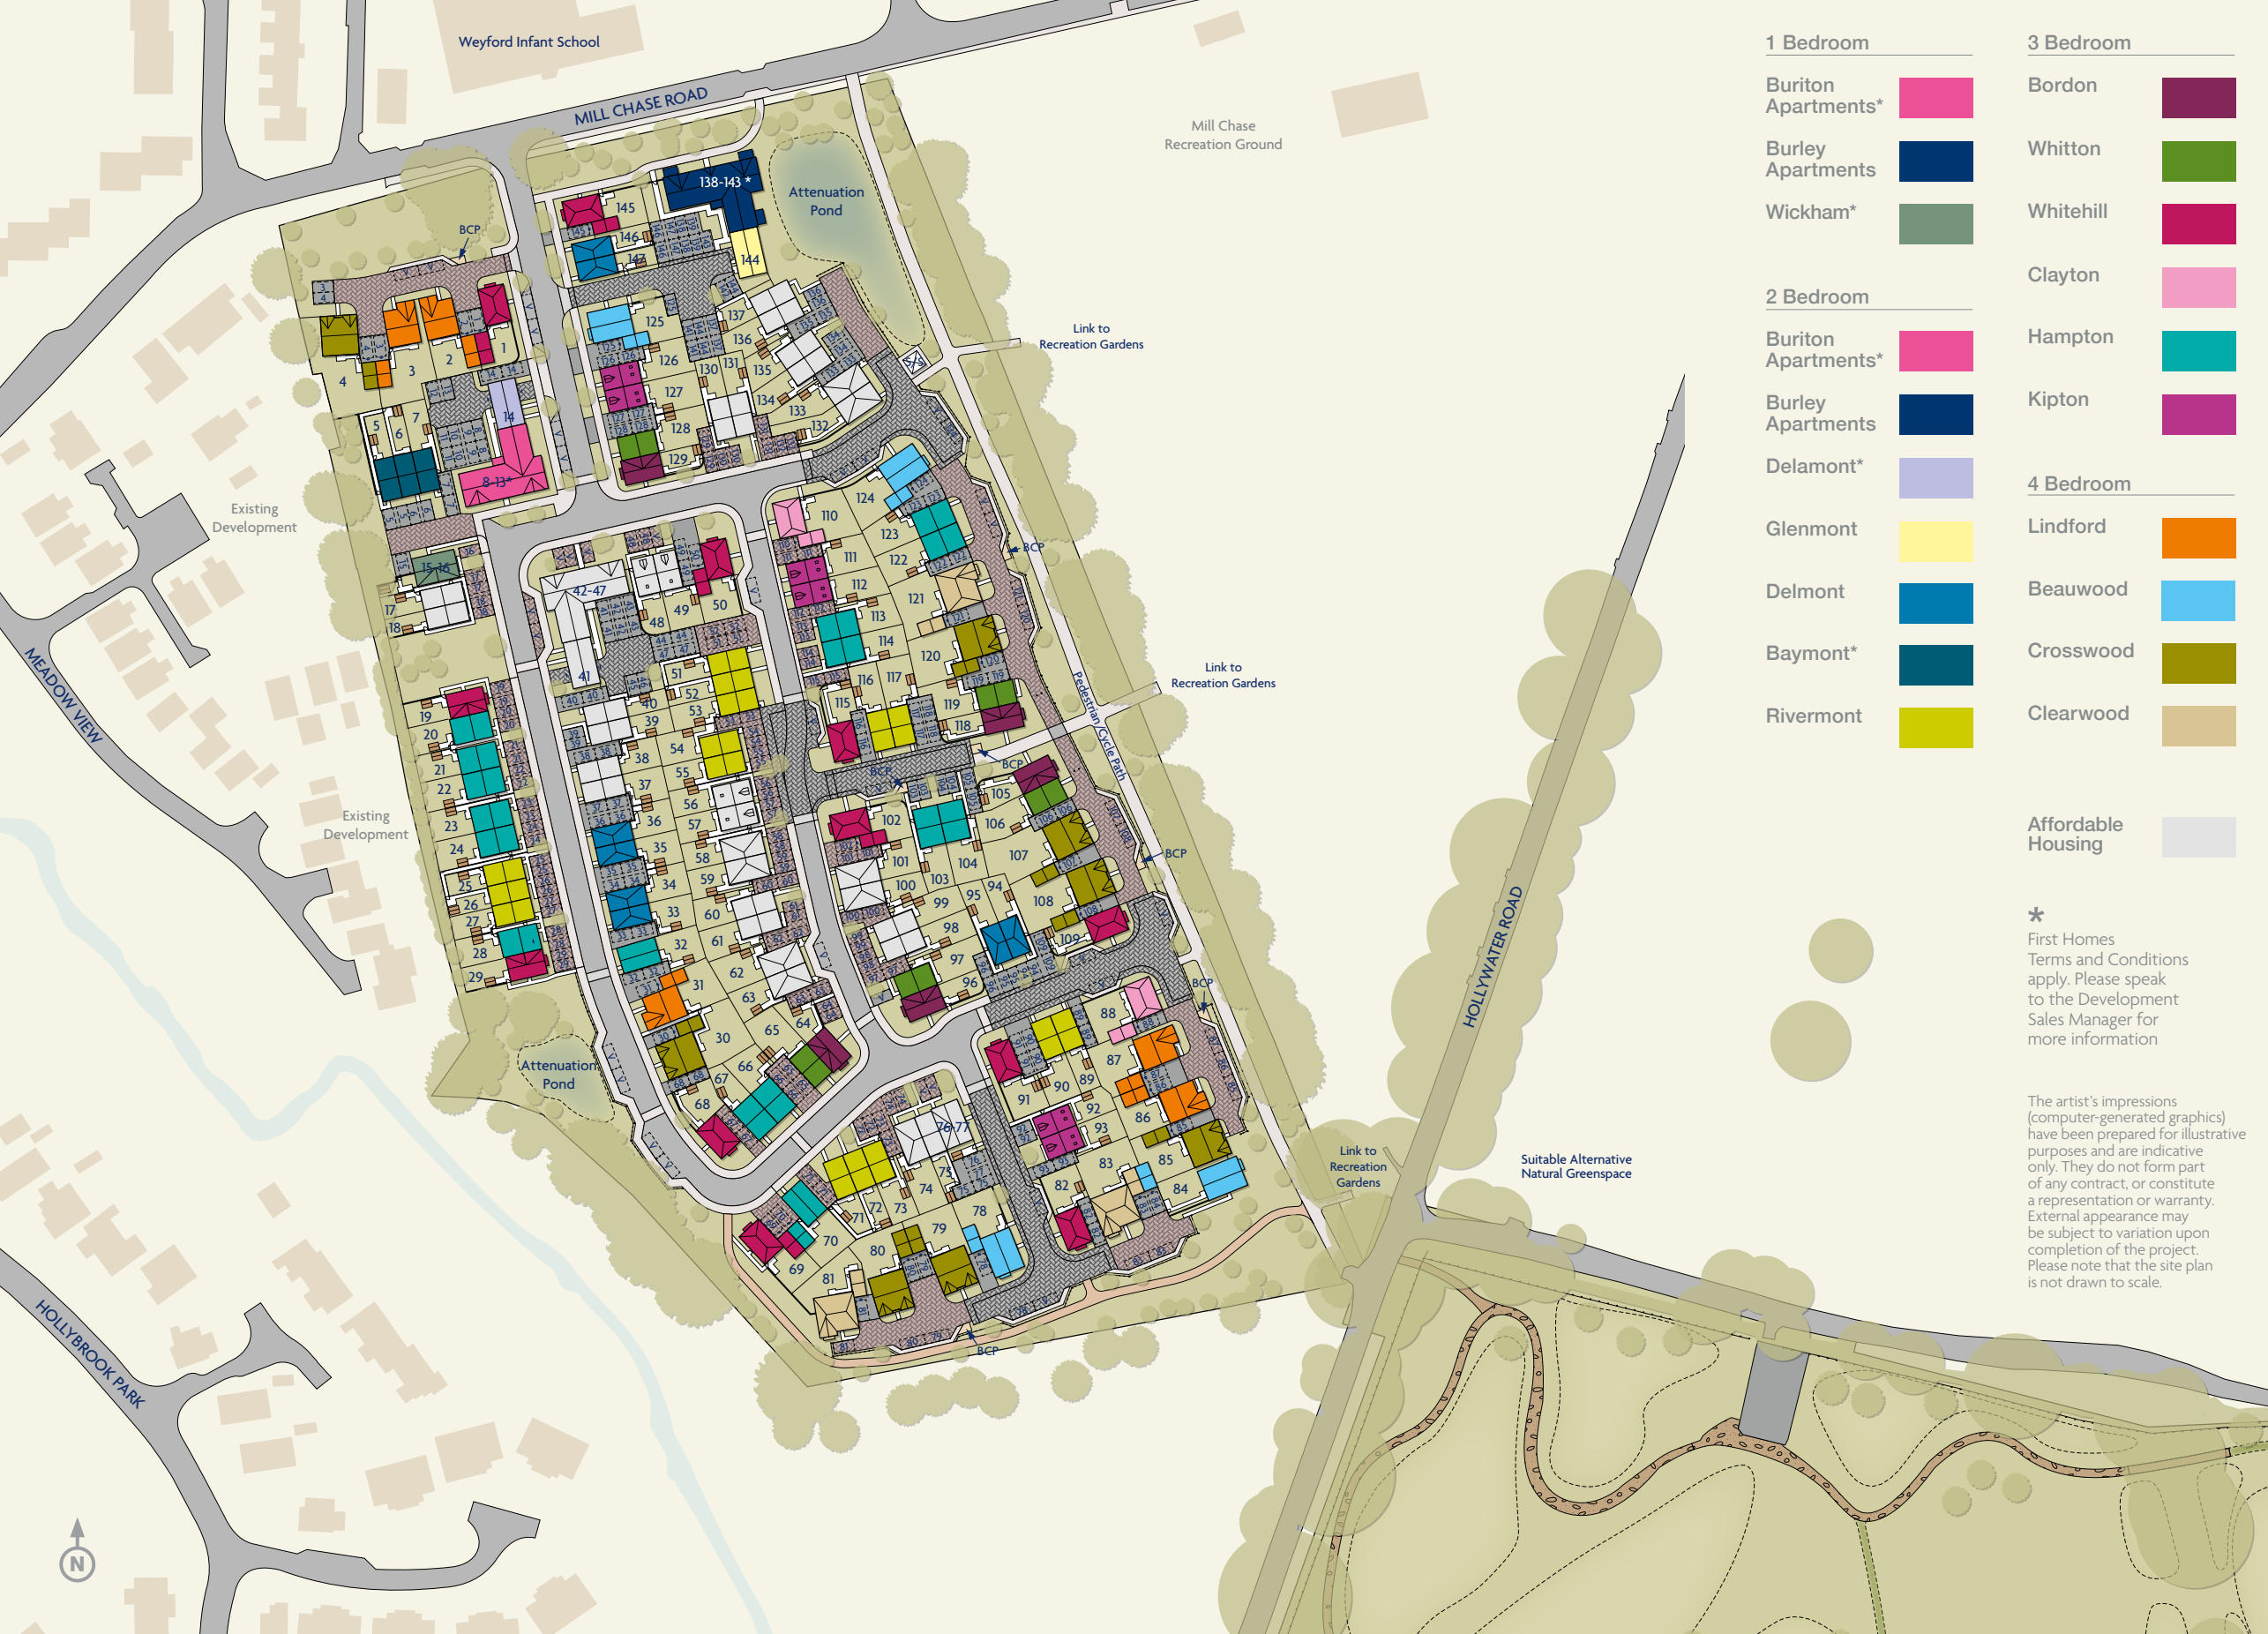

Whitehill and Bordon Leisure Centre, opened in 2020, features a six-lane swimming pool, learner's pool, and well-equipped fitness suite. The Centre is close to a skatepark and a Roller Rink that hosts weekly discos. For live comedy, drama, music and dance, The Phoenix Theatre and Arts Centre is a thriving venue that also hosts workshops and community activities, and Bordon has a drive-in Ticket cinema. All these amenities are within around 20 minutes' walk of Mill Chase Park, and they are complemented by a small independent cinema in Liphook.

Welcome home

A short walk from Bordon town centre and less than 30 miles from the M25, this delightful selection of two, three and four bedroom homes and one and two bedroom apartments brings an attractive, tree-lined new neighbourhood into a superb location. Encircled by the South Downs National Park and rich in green spaces and nature reserves, Bordon combines excellent local amenities and strategic convenience with a refreshing, sustainable environment. The Miller Difference

your home your way...

The Miller Difference
Every home we build is the start of an adventure. For more than 85 years we've watched people stamp their individual personalities on the homes we build. What we create is your starting point. Our job is to make sure it's the best one possible.

Shaped around you
For more than three generations, we've been listening to our customers. We know what you expect: the highest quality materials, the most skilled workmanship, ready to be shaped around your lifestyle.

Built on trust
Figures and statistics matter. We have, for example, a five star rating for Customer Satisfaction, the best possible, from the Home Builders Federation.

Even more important, though, is the feedback we get from our customers. After we've been with them on the journey from their first enquiry to settling into their new home, well over 90% say they would recommend us. That's the real measure of the trust they place in us.

Helping where we can
You might already have a clear picture of life in your new home. Or it might be a blank canvas. Either way, getting there is an exciting journey of discovery. And we're here to help.

From the first time you contact us, whether by phone, video call or a tour of a show home, we'll be listening carefully. Only you know what you want, but we'll be working with you to achieve it.

And we'll still be on hand, ready to help, long after you move in, quietly sharing your pride and satisfaction.

Pushing up standards
From beautiful locations and superb architectural design to meticulous construction work and exceptional finishes, our expertise is widely acknowledged. Our award-winning developments embrace state-of-the-art technologies and green thinking, but we never lose sight of the importance of craftsmanship. Every step is subject to rigorous Quality Assurance checks, and we reward our highly trained teams for safe and careful practice.

A smooth customer journey
Our award-winning service reflects the same high standards. As we guide you through your choices, decades of experience inform every step. So you can relax and enjoy the journey, knowing you have all the information you need.

With you every step of the way
After meeting your Development Sales Manager, who will help you choose and buy your new home, you'll be introduced to your Site Manager, who will be responsible for every aspect of the building work. They'll both be happy to answer any questions you have.

Fully involved
Your new home will quickly be moulded to your personal choices. So will our service. Once you tell us how you want to keep in touch, whether by phone, text, email, our custom designed app or via our website, that's how we'll keep you regularly updated and informed. You'll be able to access all the records of meetings, and see what happens next.

Make it your own
Even before you move in, there's the excitement of planning your interior. Choosing tiles and worktops, making decisions about appliances. We'll help wherever we can. Our Visualiser, for example, can help you make selections online then see them for real in the Sales Centre. Already, it's becoming your own, personal, space.

At a safe time during building, we'll invite you to visit your new home for a Progress Meeting where you can see the craftsmanship and attention to detail for yourself before it's covered up by fittings and finishes.

A place to grow
For us, the mark of success is seeing every home become unique, an individual reflection of the people who live there, and watching it become part of a thriving community.

By creating sustainable homes, in sustainable communities, we're helping to build a sustainable future for everyone. Including ourselves.

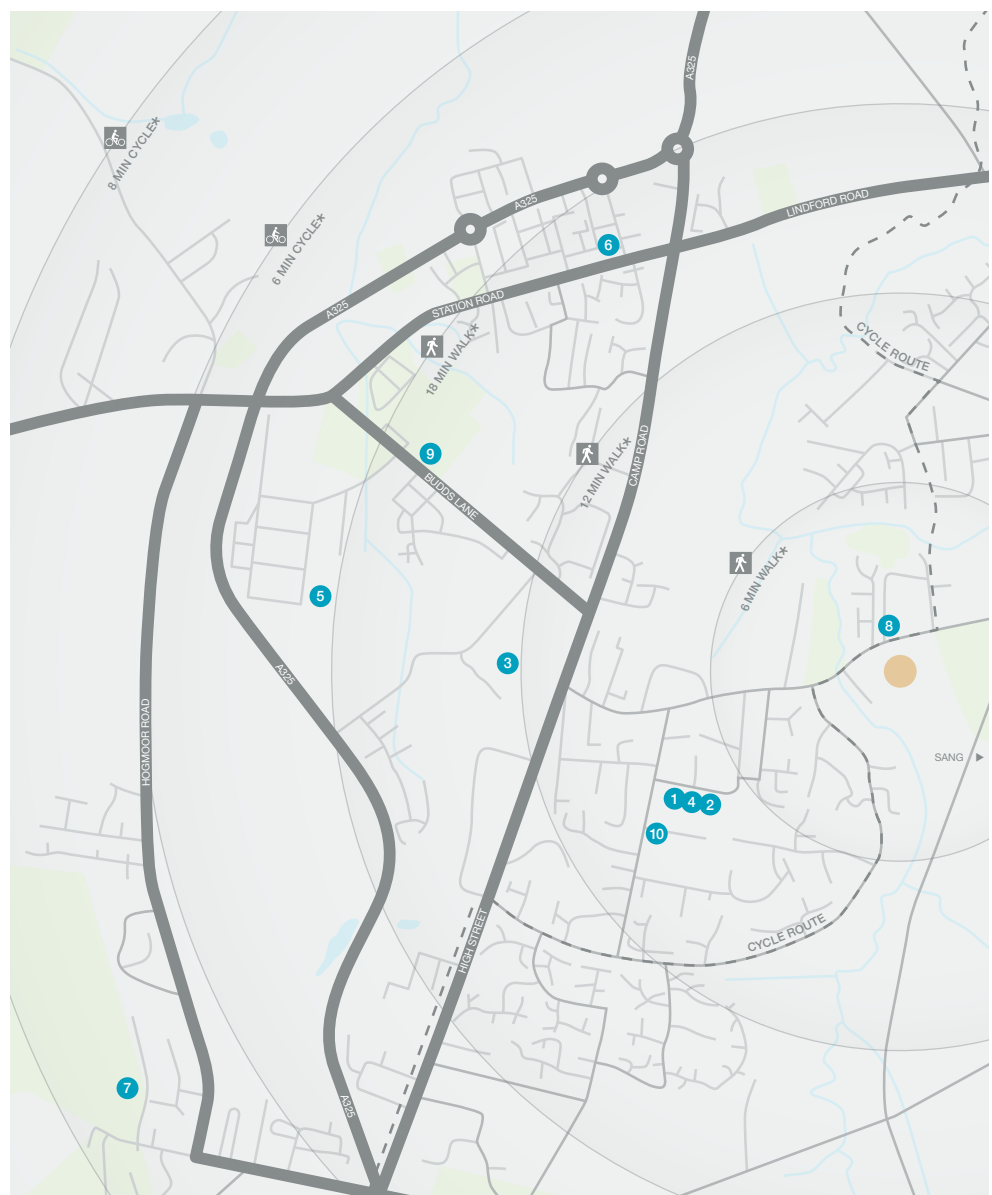

The outstanding local natural attractions include woodland walks along the River Wey, half a mile to the east, and a network of trails through the extensive Woolmer Forest. Alexandra Park and the Deadwater Valley Local Nature Reserve is just 350 yards away, and the Hogmoor Inclosure, with its woodland walks, natural play area and bat roost, lie to the west near Blackmoor Golf Course. For long-distance walking and cycling the Shipwright's Way, 50 miles of pathway through picturesque villages and countryside, passes alongside the development.

Weyford Nursery and Primary Academy is only a few yards from Mill Chase Park and there is a community special school, Hollywater Primary, quarter of a mile away and a secondary school, Oakmoor, around 20 minutes' walk from the development. Pinehill Surgery near the Forest Centre is the nearest of Bordon's three medical practices, and there are two dentists in the town.

Useful Contacts

When you leave the car at home and explore the local area by foot or bicycle, you get to know it so much better. And by using local shops and services, you'll help to keep the neighbourhood vibrant and prosperous. Every place has its own personality, and once you move in you'll soon find your favourite walks, and the shops you like best. As a starting point this map shows some of the most useful features and services within a short stroll or bike ride.

Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.

5 stars for customer satisfaction
