PROPERTY OVERVIEW

Set within the highly sought-after and friendly cul-de-sac of Highfield Grove, this 1930s terraced home offers a wonderful blend of charm, comfort and excellent future potential. Presented in good decorative order and enhanced by recent improvements, the property provides an ideal opportunity for buyers seeking a home ready to enjoy, with the added benefit of being able to extend or adapt to their needs over time.

A welcoming entrance hallway leads into two bright and versatile reception rooms, each filled with natural light and offering flexible family living space. The kitchen is well-arranged and leads directly onto the garden, making it practical for day-to-day life.

Upstairs, the property offers three bedrooms, including two generous doubles and a third ideal as a nursery, guest room or home office. The bathroom is well presented, and the layout lends itself perfectly to reconfiguration if ever desired in future.

One of the standout features is the exceptionally spacious rear garden (approx. 100 ft. including the garage) - a rare find in this location and an excellent space for families, gardeners or anyone seeking outdoor privacy. Its size and layout also provide tremendous potential for a rear extension while still retaining a substantial garden. In addition, the loft offers scope for conversion, subject to the necessary consents.

To the rear is a private garage accessed via a lane, offering secure storage or parking options. The front of the property has also been upgraded with a newly installed driveway, providing valuable off-street parking - a huge advantage in this area. Recent improvements also include new double glazing throughout (2025).

Offered to the market with no onward chain, this is a fantastic opportunity to secure a well-loved home in one of BS7's most desirable residential pockets.
