ENTRANCE HALLWAY

Stepping through the front-facing composite door, you are welcomed into a practical and well-presented entrance hallway. A front-facing UPVC double-glazed window allows natural light to brighten the space. The hallway features a staircase leading to the first-floor landing, a central heating radiator, and durable laminated wood flooring. Doors provide access to the lounge-diner, kitchen, and downstairs bathroom.

KITCHEN

The kitchen is fitted with a selection of wall and base units, offering ample storage and workspace. The work surfaces complement the units and incorporate a stainless steel sink with a mixer tap. The walls are partly tiled for ease of maintenance, and the floor features a tile-effect covering. A central heating radiator provides warmth, while the kitchen is equipped for freestanding appliances, including a fridge freezer, a gas cooker with an electric extractor fan above, and plumbing for a washing machine. A side-facing UPVC double-glazed window brings in natural light, while rear-facing UPVC double-glazed patio doors lead out to the decked seating area in the garden.

LOUNGE DINER

The lounge is a comfortable space, featuring a rear-facing UPVC double-glazed window, coving to the ceiling, and a central heating radiator. A feature fireplace with an electric coal-effect fire serves as a focal point, adding a cosy touch. An archway leads into the dining area, creating an open and sociable feel.

DINING ROOM

The dining room benefits from a front-facing UPVC double-glazed window, a dado rail adding character, and a central heating radiator.

DOWNSTAIRS BATHROOM SUITE

This functional bathroom suite comprises a panelled bath with a shower mixer tap, a vanity hand wash basin, and a low-flush WC. The walls are partly tiled for a neat and tidy look, complemented by a vinyl floor covering. A central heating radiator ensures comfort, while an electric extractor fan provides ventilation. A side-facing obscure UPVC double-glazed window allows natural light while maintaining privacy.

FIRST FLOOR LANDING

The landing benefits from a side-facing UPVC double-glazed window and two storage cupboards, one of which houses the combination central heating boiler. Doors lead to three double bedrooms.

MASTER BEDROOM

A well-proportioned master bedroom with a rear-facing UPVC double-glazed window and a central heating radiator, offering a comfortable and private retreat.

BEDROOM TWO

A nicely presented second bedroom with a front-facing UPVC double-glazed window, a central heating radiator, and a useful built-in storage cupboard.

BEDROOM THREE

A third double bedroom featuring a side-facing UPVC

double-glazed window and a central heating radiator, making it a versatile space.

OUTSIDE

To the front of the property, an enclosed walled garden provides a welcoming entrance. Double wooden gates allow access to the driveway, with an additional gated entrance leading to the rear of the property.

At the rear, the property enjoys a generously sized enclosed garden, mainly laid to lawn. A raised decked seating area provides an ideal spot for outdoor relaxation. Additional features include outdoor lighting and a water tap for convenience.
