## Entrance Hall, Kitchen and Sitting Room—Open Plan

A solid wood, barn-style entrance door with charming wooden shutters opens into a spectacular open-plan kitchen and sitting room. This stunning space is brimming with rustic charm, boasting original exposed beams that rise to a vaulted ceiling. Natural light floods the room through front and side-facing wooden-framed double-glazed windows, while three central heating radiators ensure year-round comfort. The tiled flooring seamlessly continues through the kitchen, complementing a range of solid wood units with stylish work surfaces. A stainless steel sink with mixer tap is inset beneath the window, and there is ample space for freestanding appliances including a range-style cooker, fridge-freezer and dishwasher. Partially tiled walls add a touch of practicality, while a door leads to the utility room and cloakroom. There is also an access to the loft. Beautiful brick sett steps lead gracefully down to the show-stopping dining room.

## Utility Room

Fitted with a selection of base and wall-mounted units with complementary worktops, the utility room is both practical and characterful. A twin Belfast ceramic sink with mixer tap, space for freestanding appliances, and a front-facing wooden-framed double-glazed window complete the space. The tiled flooring continues throughout, extending into the WC.

## Cloakroom / WC

Fitted with a white low flush WC and a corner hand wash basin with tiled splashbacks. A rear-facing obscure-glazed

wooden window allows for privacy while maintaining natural light. Finished with a central heating radiator.

## Dining Room – A True Feature Room

Rich in character and style, the dining room is an exceptional entertaining space. Original features include exposed brick walls, wood panelling, and a vaulted ceiling, with side-facing double-glazed wooden windows and a matching solid wood door leading out to the courtyard. Underfoot, a striking brick sett floor enhances the rustic aesthetic. Two central heating radiators, ambient wall lighting, and a door leading through to the elegant living room complete this inviting room.

## Living Room – Full of Charm and Warmth

A beautifully appointed room that exudes charm, with exposed original beams to the vaulted ceiling and a stunning feature brick fireplace housing a dual fuel log-burning stove – the true heart of the home. Natural wood flooring flows throughout, with side-facing wooden double-glazed windows and French doors with bespoke shutters offering views and access to the garden. Two central heating radiators and a contemporary vertical radiator provide warmth, while soft wall lighting enhances the room's relaxing ambience.

## Inner Hallway

The character continues in the inner hallway, with a vaulted ceiling, exposed wooden beams, side facing window and two side-facing Velux windows. Natural wood flooring, a central heating radiator, wall lighting, and access to the bedrooms add both functionality and charm.

### Master Bedroom – A Stylish Retreat

A striking principal bedroom with exposed beams to the vaulted ceiling, a front-facing wooden-framed double-glazed window, and a Velux window bathing the room in natural light. Two central heating radiators, natural wood flooring, and a wall of mirrored fitted wardrobes complete this serene and elegant space. A door leads to the stylish en-suite.

### En-Suite Shower Room

Designed with luxury in mind, the en-suite features a large walk-in shower with a rainfall-style shower head, low flush WC and pedestal wash basin. With part-tiled walls, tiled flooring, a chrome heated towel rail, electric extractor fan, shaver point, electric wall heater, vaulted ceiling with exposed beams, and a side-facing Velux window.

### Bedroom Two – Spacious and Full of Character

This generously proportioned double bedroom features two side-facing wooden double-glazed windows with wooden shutters, exposed beams to the vaulted ceiling, and natural wood flooring. A feature brick wall with dado rail, two central heating radiators, and access to the Jack and Jill bathroom suite make this an ideal guest room or second main suite.

### Jack and Jill Bathroom – Sophisticated & Timeless

A luxurious bathroom suite, shared between bedrooms two and three, comprising a freestanding roll-top claw-foot bath with shower mixer tap, pedestal wash basin and low flush WC. Classic touches include part-tiled walls, a cast iron-style radiator with heated towel rail, vaulted ceiling with

exposed beams, obscure-glazed wooden window, electric heater, and extractor fan. Access to a loft above bedroom three.

### Bedroom Three – Cosy and Versatile

Currently used as a home office, this third bedroom is a charming space with a side-facing wooden double-glazed window, central heating radiator, and natural wood flooring. A solid wood door provides access to the courtyard, making it an ideal guest room, office, or studio.

### Exterior

The property benefits from one parking space in the barn-style carport and two allocated spaces within the communal parking area. A large, beautifully maintained communal garden is shared with three other barns, offering expansive green space. To one side of the property lies a delightful private garden, mainly laid to lawn with mature, well-stocked borders, a wooden gazebo, and various paved seating areas in keeping with the barn's rustic charm. A garden shed, outdoor lighting, power and water tap provide convenience. To the other side, an attractive, communal low-maintenance courtyard creates the perfect setting for al fresco entertaining.
