This much-loved home has been in the same family for the past 20 years having been well-maintained and much improved during this time but offers the incoming purchaser GREAT SCOPE FOR FURTHER MODERNISATION and INTERNAL RE-CONFIGURATION (subject to the necessary building consents).

The accommodation, in brief, comprises: ENTRANCE HALL with CLOAKROOM/WC, a generously sized double-aspect LIVING ROOM with feature brick fireplace inset with gas fire and patio doors to rear garden. A further door leads into a separate, bright and airy DINING ROOM with dual windows to the front and connecting door into the KITCHEN/BREAKFAST ROOM fitted with a comprehensive range of cream-fronted wall and base units with tiled splashback and contrasting slate-effect worksurfaces. Integrated appliances include an eye-level electric double oven and gas hob with extractor canopy above. Additionally, is space and plumbing for a dishwasher. A large UTILITY ROOM, fitted with co-ordinating units, sits open to the kitchen and has external access to the garden. Ample space is on offer for an undercounter fridge as well as freezer, washing machine (with plumbing), tumble dryer and upright fridge/freezer.

From the hall, a staircase rises to the FIRST FLOOR, where there are FOUR WELL-PROPORTIONED BEDROOMS, three of which are doubles and one large single. An exceptionally large FAMILY BATHROOM with dual windows to the front is equipped with a white suite and includes a separate shower enclosure and lends itself to being split and converted into a FAMILY BATHROOM and EN-SUITE to the bedroom adjacent. To the LANDING is an airing cupboard housing the hot water cylinder with slatted shelving and a loft access hatch.

Outside: An attractive FRONT GARDEN is laid to lawn with well-stocked plant and shrub borders with a sloping block-paved PRIVATE DRIVEWAY alongside leading to an ATTACHED SINGLE GARAGE with light/power and up-and-over door. The sunny WEST-FACING REAR GARDEN is fully enclosed with high hedging to one side and wooden panelled fencing to rear and side. A large and level expanse of well-tended lawn has a few steps up from the patio which spans the width of the property and creates an ideal area for alfresco dining and entertaining.

Internal inspection highly recommended.
