### The property

Located on a quiet residential street in West Saltdean, this beautifully refurbished home enjoys breathtaking, far-reaching views over the Downs, The Oval park and out to sea. A block-paved driveway provides ample parking for multiple cars and leads to a bespoke porch, complete with a charming archway and a striking red front door.

Inside, the property has been finished to an exceptional standard, featuring solid oak flooring, high-quality solid wood doors, and a bright, airy atmosphere throughout. The layout is both spacious and versatile, with panoramic views from every floor.

On the ground floor, a welcoming entrance hall leads to three generously sized bedrooms and a sitting room. Positioned at the front of the house, the sitting room features double doors opening onto a private courtyard that enjoys the evening sun. This space could easily be reconfigured as an additional bedroom if desired. A sleek shower room, finished with grey hexagonal tiles, a double rainfall shower, and a twin-sink vanity unit, sits next to the sitting room, while across the hall, a second beautifully styled shower room includes a curved bay window with stained-glass detailing.

At the rear of the house, the principal bedroom enjoys sweeping views across Saltdean, the Downs, and out to sea, and a neighbouring room, currently used as a home office, offers access to a balcony where the views can be enjoyed with a coffee or glass of wine. Spacious stairwells connect this level with both the upper and lower floors.

On the top floor are two further bright and spacious double bedrooms, each offering spectacular views across Saltdean, the Downs, and the coastline. A modern bathroom serves this floor, and generous eaves and loft storage provide valuable space for a growing family.

The entire lower ground floor is dedicated to a striking open-plan kitchen, dining, and living area, ideal for both everyday living and entertaining. Painted in a cheerful sunny yellow, the space flows effortlessly out to the garden, with large sliding doors and grey tiled flooring that continues seamlessly onto the terrace.

The bespoke kitchen features a central island housing the sink, extensive storage, and a full range of high-specification appliances. A separate utility room is tucked just off the kitchen, keeping household essentials neatly out of sight. Around the corner, a cosy snug fitted with a wood-burning stove offers a peaceful retreat, perfect for reading or relaxing.

Outside, sliding doors lead to an expansive patio ideal for al fresco dining, with steps descending to a landscaped lawn bordered by mature planting. At the far end of the garden, through a rose-covered pergola, you'll find a charming 'allotment-style' area with a greenhouse and a spacious wooden shed. Tucked away to the other side, is a charming fish pond.

This thoughtfully designed home blends quality craftsmanship with exceptional views and flexible living, creating a truly special place to call home.

## A note from the owners

As we were moving back to the UK from Canada, we wanted a property that we could move straight into. The house fitted the bill completely, fully modernised, and with more than adequate space for family living and for working from home. The property also had an unusually large amount of usable outdoor space which we were able to extensively landscape.
