£1800 per annum service charge

£50 per annum ground rent.

Local Area & Amenities

Castle Chambers is a striking Grade II listed building situated on Union Street in the heart of Torquay. Originally built around 1850 as Torbay Hospital and Dispensary, the property has been beautifully converted into modern residential apartments while retaining its historic Tudor-revival charm. Constructed from local limestone with elegant, mullioned windows and a distinctive turret, it offers character and presence within the town's conservation area. The building's heritage and central location make it a rare opportunity to live in a piece of Torquay's architectural history.

Perfectly positioned for convenience, Castle Chambers is just a short walk from Torre and Torquay train stations as well as the coach station and frequent bus routes running from nearby Castle Circus and Union Street. A range of local shops, cafés, and restaurants are on the doorstep, while the seafront and harbour are within a 10-minute walk. Families benefit from several well-rated schools nearby, including Upton St James' C of E Primary, Torquay Academy, and Torquay Boys' and Girls' Grammar Schools. Combining period charm with modern comfort, Castle Chambers provides stylish living in a vibrant and accessible location.
