Cleverly designed to currently provide spacious, flexible and fully self contained multi-generational living, this extensive and extended character cottage also boasts the added bonus of solar panels and storage battery, air source heating and a rain water harvesting/storage system for the gardens. The property could easily be used as an open family home thanks to its innovative layout and simple dividing 'stud' walls should a new owner require.

The bright and welcoming Living Dining Kitchen flows into the beautiful extended Garden Room and comfy Lounge with feature fireplace, logburner and a large window to the front, ideal for soaking up those stunning field views. Continuing onwards, the staircase winds upwards to the spacious Landing, Two Double Bedrooms and large Family Shower-room.

The second part of the property enjoys a cosy Lounge that also overlooks the picturesque farmland and has a feature fireplace with logburner. The Inner Hall takes us to the first floor staircase and into the large fitted Breakfast Kitchen, Utility Room and Entrance Hall. Upstairs leads to the Third Double Bedroom, Fourth Single Bedroom/Dressing Room and the luxury Bathroom.

Outside is a real gardener's paradise - Chicken/Duck Pen, Hot House, Greenhouse, Potting Shed, Polytunnel, Raised beds, Potato beds and perfectly complimented by a well established orchard (apple, pear, hazelnut, almond, gooseberry, raspberry, blackberry) all that can be serviced by the clever 8000L rainwater harvesting/storage system.

The grounds conclude with a fenced grass paddock and 2 Stables at the far elevation. The Formal Garden area has a raised covered decking area overlooking the garden and wildlife pond - a tranquil spot that's just perfect for summer entertaining.
