TREETOPS

Full Description

Welcome to Treetops, an exquisite individual self-built home completed in 2022, meticulously designed with families in mind. This property boasts an incredible open plan kitchen and dining area that seamlessly connects to the rear garden through expansive bi-fold doors. Additionally, there is a separate utility room and a convenient ground floor shower room. The ground floor also features a charming formal living room adorned with a beautiful electric fireplace and a media unit, creating a warm and inviting ambiance. Completing the lower level is a spacious home office or playroom, offering versatility to suit your needs. Moving to the first floor, you will find a guest bedroom accompanied by an ensuite bathroom, providing comfort and privacy for your visitors. The first floor also accommodates three more generously sized double bedrooms, ensuring ample space for the entire family. The second floor is entirely dedicated to a luxurious master suite. This private haven encompasses a double bedroom, a designated wardrobe area, and a full bathroom featuring his and her sinks. This master retreat offers a sense of relaxation and seclusion. Outside, the property boasts private gated access, leading to a gravel driveway that adds an air of sophistication. The rear of the property features a delightful, landscaped lawn, perfect for outdoor activities, and a generously sized patio area designed for entertaining. Treetops is more than just a house; it's a thoughtfully designed home that caters to the needs of modern families. With its blend of elegant interiors, functional spaces, and appealing outdoor areas, this property offers a truly exceptional living experience.
