9 OLD SCHOOL LANE

DESCRIPTION

As soon as you step inside, you'll notice the sense of space and flexibility.

The entrance opens into a big boot room – perfect for shoes, coats, and school bags – leading into the main hallway. Off here you'll find a bright, dual-aspect living room, a brilliant home office with French doors straight out to a private patio area (ideal for a tea break or a glass of wine in the evening), plus a smart downstairs WC and storage.

The kitchen is a real highlight – generous in size with a traditional style given a modern twist, complete with double oven and bags of workspace. There's also a separate utility room for laundry and a door through to the integral garage.

Upstairs, the master bedroom comes with two fitted wardrobes and a stylish ensuite. You'll also find three further double bedrooms, a single, and an extra room that would make a dream walk-in wardrobe or second office.

Outside, the rear garden is large and laid to lawn – plenty of space for kids to run around – while the front offers good off-street parking.

It's a quiet, safe spot with excellent access to local amenities and some of the area's most highly rated schools.
